

Today in the Quad-Cities Burned boy is saved

John W. Nash, 13, of 712H Old Alton Road, Mitchell, is recuperating in fair condition this week in St. Elizabeth Hospital after touching a 24,000 volt electrical wire on a Union Electric high-tension tower in a field at the end of Carolyn Boulevard in Mitchell about 4:45 p.m. Monday.

The boy was rescued from the tower, about 80 feet off the ground, by the Mitchell Fire Department and by a man living nearby, Clancy Ward. A friend of John, Richard Gay, 776 Carolyn Blvd., said the two of them were riding along the railroad tracks near the tower when John said he wanted to climb the tower.

Gay told Madison County sheriff's deputies he stayed on the ground and watched John climb the tower. He said when John got about 80 feet above the ground, he heard a loud yell.

Sanitary lines to omit foes

A warning was issued by Nameki Township Supervisor Louis Whitsell Monday night that persons refusing to grant immediate free sanitary sewer easements for the Four Township Sewer not only may lose the chance for sewer service, but also may deprive their neighbors, who wish the service, of being able to have sanitary sewers.

Whitsell said time for obtaining easements is getting short and the engineers soon will be requested to prepare final plans, including those who have declined to grant sewer easements.

He said means will be sought to bypass those refusing to grant free easements and still serve their neighbors, but that many persons who granted easements may suffer because of one or two neighbors who refuse to grant the easements, thus terminating the sewer line which would have served them.

He said the decisions as to who will be served and who must be excluded soon will be left in the hands of the engineers, since final specifications for bidding must be prepared immediately.

Contracts for the work must be awarded by Dec. 31, if the project is to receive the state grants it has been promised.

Whitsell commented that of about 3,000 easements required for the project, only about 100 or more residents have declined to grant free easements.

The supervisor said several areas are in danger of not having sanitary sewer service, including portions of Angela Drive, where several residents have blocked the sewer continuing to the end of the street,

and a cove off Bern Avenue in which all the residents agreed not to sign the easements.

He said every attempt will be made to bypass properties for which easements have not been granted, but for the good of all, there will be areas which will have to be skipped. If they decide to hook onto the sewers

With a United Way agency, the Red Cross, aiding the Tinsley family whose home was destroyed by fire Monday evening, United Way campaign participants concentrated yesterday on reviewing progress in the annual drive.

Announcements totaled \$130,500, or 30.45 per cent of the \$430,000 goal.

At the report meeting, the second of four that are scheduled, special honors went to Glick's Department Store employees in Granite City and Madison for increasing their giving 63 per cent over a year ago.

The Glick Co. pledged \$1,200 and employees boosted their contributions from \$475 to \$775.

Also cited were Conalco employees of the Madison plant. Despite there being fewer workers, they collectively gave 18 per cent more than a year ago to the United Way.

The total Conalco commitment of \$8,562 includes

County tightens financial 'belt'

By GARY SCHNEIDER
Press-Record Staff Writer
A recommendation that all Madison County departments hold spending to a minimum for the next one and one-half months was endorsed by the Madison County Board yesterday.

The recommendation came from the county's Finance Committee, which noted expenditures have been in-

creasing rapidly as the end of the county's fiscal year, Nov. 30, approaches.

J. J. Gramlich, chairman of the committee, told the board many large outlays due and payable will decrease the cash balance in the revenue fund to a point where it will be necessary for everyone in the county to use fiscal restraint in order to enable the county to pay its bills.

Some of the expenditures he noted were a \$25,000 grant to improve law enforcement probation officers hired through a federal grant program, \$75,000 for insurance premiums and \$8,000 needed in the contingencies fund to cover an imbalance in the postage meter fund.

He noted revenues to the

Way is cleared for fire station

Circuit Court proceedings designed to prevent construction by Granite City of a new Nameki area fire station at Richmond Avenue and Johnson Road have been dismissed, clearing the way for action by the city to build the station.

The legal effort to join the city from constructing the proposed new fire station, filed in November 1974 by a group of residents living near the station site, was dismissed last week on motion of the plaintiffs. The

case had been scheduled for hearing in Circuit Court at Edwardsville Thursday.

Fire Chief Don Parente said he plans to meet this week with members of the City Council's Fire and Water and City Buildings Committees to discuss plans to proceed immediately to build the station that would replace the present facility on Nameki Road.

Dismissal of the court proceedings resolves the final phase of repeated efforts to block location of the station at

the Richmond-Johnson site. Residents of the area protested that building a fire station would devalue property in the area and present a nuisance problem because of the noise of fire engines leaving the station.

The controversy over construction of the station at that site also involved a city request for a special use permit to meet zoning regulations. The City Plan Commission declined to make a recommendation to the council as to whether or not the use permit should be issued

after hearings in November and December 1974.

City Council members took the matter in their own hands and approved issuance of a special use permit in mid-December last year.

Parente said he has secured working plans of a Huntington, W. Va. fire station which he believes would meet Granite City's needs. If acceptable to council members, he said, the preparation of design plans by an architect could be eliminated and an early start on construction of the building accomplished by using the completed designs.

The site at Richmond Avenue and Johnson Road was purchased by the City Council in early December 1973 from the Granite City Realty Co. at a cost of \$12,000.

A total of \$100,000 in federal revenue sharing funds was appropriated at that time to finance construction.

The site is a 135-foot frontage on Richmond Avenue and a

structure of the building accomplished by using the completed designs.

CHARRED REMAINS of their home at 2633 Logan Ave. are inspected by Mr. and Mrs. Donald Tinsley after fire destroyed the dwelling and damaged houses on both sides Monday afternoon. Mrs. Tinsley holds her daughter, Sandra Kay, 4, who was trapped in the burning house. She

was rescued by Wayne Hollis, 2625 Logan Ave., and his son Mike, 19, who live in the house shown in upper right of this photo. The family lost all of their belongings, including the car in left foreground.

Rescue girl, 4

A fast-spreading fire that endangered the life of a 4-year-old girl—until a neighbor and his son broke into the burning building and rescued her—destroyed the home of Mr. and Mrs. Donald Tinsley at 2633 Logan Ave. Monday afternoon.

The site is a 135-foot frontage on Richmond Avenue and a

burned seriously July 23 and still is in the Burn Unit of Barnes Hospital, St. Louis.

The Tinsley house was totally destroyed and homes on each side were damaged.

The home of Mr. and Mrs. Wayne Hollis, 2625 Logan Ave., received an estimated \$2,500 damage to the building and \$1,500 damage to contents, and the home of Evelyn Hamilton,

2639 Logan Ave., had approximately \$1,500 damage to the exterior, firemen reported.

The fire Monday afternoon, believed to have started near the electric stove in the kitchen, spread rapidly and prevented Mrs. Margaret Tinsley from reaching her daughter, Sandra Kay, 4, who was taking a bath when the blaze broke out.

Wayne Hollis, who lives next door and his son, Mike, 19, heard Mrs. Tinsley scream when she was unable to reach the child. They broke down the locked front door.

Hollis told the Press-Record he could hear the child screaming. The house was full of smoke and the upper part of the four-room, frame building was engulfed in flames, he said.

"As we entered the house, the child stopped screaming," Hollis related. "Mike and I called out to her to continue screaming. She began screaming again and that helped us locate her."

The two Hollis' carried the girl to safety.

Granite City firemen were called, although the area where the fire occurred is outside the city.

Granite City firemen who received the alarm at 4:54 p.m., responded, however, but the Tinsley home was in flames by

the time the firemen arrived.

Fire Chief Don Parente said he responded to the alarm at the Tinsley residence Monday afternoon when he heard that a child's safety was involved, and because a fire in that particular section could have meant destruction of the entire block.

Reaction to the fire

was swift.

Rural fire service problem despite law

A move to annex to Granite City—with fire protection as the main objective—was begun Tuesday by many residents in the area two blocks northwest of Granite City where the home of Mr. and Mrs. Donald Tinsley, 2633 Logan Ave., was destroyed by fire Monday afternoon.

The Tinsleys escaped with only the clothing they wore. All of their belongings, including their car parked in the driveway, were destroyed in the blaze which also damaged homes on each side of the Tinsley dwelling.

The area of the Benjamin subdivision has been without fire protection since Granite

City notified residents of the area in May 1974 that protection no longer could be provided because the area was outside the city limits.

The Granite City Council enacted an ordinance in 1967 prohibiting fire equipment from responding to calls outside the city.

Fire Chief Don Parente said he responded to the alarm at the Tinsley residence Monday afternoon when he heard that a child's safety was involved, and because a fire in that particular section could have meant destruction of the entire block.

MRS. JAMES H. LONG, whose wedding took place at Tri-City Park Tabernacle. The former Miss Denise R. Dickerson, the bride is a daughter of Mr. and Mrs. Raymond L. Stephens and Mr. and Mrs. James J. Dickerson, all of Granite City.

Denise Dickerson and James H. Long are wed

White satin bows marked the pews and burning tapers in tiered candelabra, illuminated the white carpeted aisle and sanctuary of Tri-City Park Tabernacle for the wedding of Miss Denise R. Dickerson and James H. Long at 7 o'clock on the evening of Sept. 27.

The Rev. John Polizzi officiated at the service.

Organist Don Stratton accompanied James J. Dickerson, the bride's father, and Lynda Kelly as they sang "Colour My World," "Hawaiian Wedding Song" and "The First Time Ever I Saw Your Face."

Parents of the bride are Mr. and Mrs. Raymond L. Stephens, Rural Route One, Granite City, and Mr. and Mrs. James J. Dickerson, 2400 Terminal Ave. The groom is a son of James H. Long, 216 Kerr St., Venice.

Escorted to the altar by her stepfather, Raymond Stephens, the bride wore a full length white gown lavishly appliqued with Venice lace motifs on the bodice and full bishop sleeves. The decorative lace was repeated on the semi-full skirt and chapel train.

She chose a lace headpiece to secure her cathedral-length veil of illusion, bordered with scallop lace, and she carried a cascade of pink and white carnations intermingled with red roses and greenery.

Miss Angela Dickerson, a sister of the bride, served as maid of honor. She wore a long dress of pink dotted swiss designed in empire style with long sleeves, enhanced with white lace.

White ribbon streamers trimmed her pink picture hat and she held a nosegay of blossoms similar to the bridal bouquet.

Tina Dickerson, a stepsister of the bride, and Brande Case, the bride's niece, were flower girls. Both wore white and blue polka dot dresses made with long sleeves and deep flounced skirts.

Each held a basket of multi-colored artificial flowers.

John Paul Davis was the ringbearer.

The groom chose Jim Simmons as his best man.

Steve Stephens, the bride's stepbrother, and Ricky Jones seated the guests.

Guests were received by the newly married couple at a reception held in the church fellowship hall. Tammy Adams, a stepsister of the bride, presided over the guest book.

The bride is a Granite City High School graduate. Her husband was graduated from Venice High School and is now employed at American Colloid Co. They are residing in Granite City.

"57 Years Behind The Mill"

Rescue

(Continued from Page 1)

The time equipment could reach the scene. Fire Chief Don Parente said that while the Fire Department does not respond to fire calls outside the city limits under an ordinance passed in May 1974, "I ordered the equipment out when I heard that a child was involved."

The Tinsley family lost everything in the fire, including their car parked in the driveway near the house.

After reaching the scene, Parente said he needed additional firemen. He put out a call for "volunteers" to assist without pay. Six off-duty firemen responded in a matter of minutes he said. Volunteers were needed because there is no legal method to pay overtime for response to a fire outside the city, he added.

Mrs. Tinsley said that she was in the backyard of her home about 4:30 p.m., talking with a neighbor for whom her daughter, Paula, 13, had been cutting grass.

"Paula went into the house and came running out, crying that the house was on fire, Mrs. Tinsley said. "I ran into the house where Sandra Kay and Wendy, 8, (another daughter) were taking a bath. The fire was in the kitchen between the stove and refrigerator."

"Wendy was near the bathroom door and I grabbed her and took her out and then started back to get Sandra. But as I opened the door, the kitchen was full of flames and I could get in."

"I began screaming and Mr. Hollis and his son Mike broke into the house and brought Sandra out," she related.

Mrs. Tinsley suffered shock and was taken to St. Elizabeth

Hospital where she was treated and released.

Members of the Hollis family removed most of their household furnishings outside when it appeared their home might also be destroyed. A number of youths in the neighborhood ran garden hoses to the area and wet down the sides of the Hollis and Hamilton houses in effort to prevent damage.

The Tinsley's son, Donald Jr., was burned over 75 per cent of his body on July 25 when gasoline that had spilled in the garage where the boy was working on a go-cart caught fire. Donald's clothing ignited and he suffered first, second and third degree burns.

He still is in the Burns Unit at Barnes Hospital and the family's doctor bills total more than \$60,000, relatives said.

Mr. and Mrs. Tinsley and the children presently are living with his parents, Mr. and Mrs. Malin Tinsley, 2703 Roosevelt Ave., but are seeking a new home.

Aid to the family came from many sources shortly after the outcome of the fire became known. Donations of clothing and household furnishings were made yesterday from individuals, and the Red Cross Chapter was to provide a stove and refrigerator when new living quarters are located.

The Salvation Army also contributed clothing. Church Women United and several churches also joined the movement to provide for the family.

A benefit fund was established at Granite City Trust and Savings Bank to receive cash contributions.

To avoid duplications in donations of household furnishings and other items, contributions are being cleared

Miller gets highway post

Lester L. Miller, acting superintendent of highways for Madison County, was appointed by the Madison County Board Wednesday to permanently fill that position.

His salary was set at \$28,000 per year, to increase \$1,000 per year over the six years of the appointment.

Miller was appointed after the board was informed in a letter from Illinois Secretary of Transportation Langhorn Bond that Miller had passed his state test and was certified by Bond as qualified to receive the appointment.

Miller has been serving as acting superintendent since the death of the former superintendent, Lee Schlemmer, last year.

Board Chairman Nelson

through Mrs. Lawrence Budde, an aunt of Mrs. Tinsley, at 6522, and Mrs. Phyllis Abbott, 2622 Logan Ave., at 877-4075.

The United Way also is participating in the drive to aid the Tinsley family, with the Red Cross assisting in coordinating the program with Mrs. Budde and Mrs. Abbott. Persons wishing to make contributions also may call the Red Cross office at 652-7184.

Salvation Army Capt. Michael Tompkins said many needs of the family will be provided by the Salvation Army, including clothing, groceries and furniture. Toys have been provided for the children.

Tinsley has been laid off at A. O. Smith Corp. since last December.

The family also lost many of their belongings in a fire in 1967.

County

(Continued from Page 1)

county from the state are running in arrears by two months, income tax revenue is delayed about three weeks and sales tax, as usual, is two months behind in distribution.

Reimbursements from the state for state's attorney salaries and probation officers' salaries also are one to two months behind normal," he added.

Board member Roger Eible of Wood River noted that expenses of the final two months of the fiscal year traditionally climb as department heads realize there are items called for in their budgets which have not been ordered or spent and attempt to meet their budget allowances.

Board Chairman Nelson Hagnauer of Granite City said, "I hope we will be able to cut down on our spending and follow the recommendation of the finance committee. We will have no influx of new purchases, even if already in the budget."

In an attempt to correct deficiencies in five funds, the board approved loans from the working cash fund of \$65,000 to the retirement fund, \$5,000 to the veterans' assistance fund, \$15,000 to the supervisor of assessment's fund, \$5,000 to the mental health fund, and \$45,000 to the federal revenue sharing fund.

The board also rejected a resolution which would have provided \$1,100 to pay the cost of court reporters in grand jury hearings. The action threatens to halt grand jury sessions for the remainder of the fiscal year, leaving it up to State's Attorney Nicholas G. Byron to commence action on felonies through information documents filed by his office, rather than seeking grand jury indictments.

The board was unanimous in denying the money, noting they felt it was the state's responsibility to pay for the court reporter in grand jury hearings, because a new state law requires that the court reporters be present.

House Bill 64, which was passed last month, requires that a transcript be prepared of all grand jury hearings and that a copy of the transcript be furnished to the defendant.

Edward Vasmard of Alton objected to the bill, saying, "The state says we are going to go along and provide these people. Apparently we have no alternative. I am objecting to this kind of thing continuing all the time. They pass the bills without consulting us and then expect us to pay the costs."

A representative of the state's attorney's office said that office did not want the bill to pass and the State's Attorney's Association lobbied against it.

He predicted State's Attorney Byron will have to "go around the grand jury many times."

Board members noted the law says, "If no reporter is assigned by the state's attorney to attend the sessions of the grand jury, the court shall appoint such a reporter."

It was noted the County Board was not mentioned in the bill and the members decided to leave the problem up to Byron or the Third Judicial Circuit Court to resolve.

The state's attorney's office has estimated the transcript and reporter would cost about \$100 for each case. The \$1,100 request was for the anticipated cases between Oct. 1 and Dec. 1.

Hagnauer noted that if the county accepts the responsibility, the cost for next year could exceed \$13,000.

Romanian opera on radio tonight

A unique broadcast of the Romanian Production, "Floria," Nicolae Breitan's heroic opera, will be aired over WISN-FM's European Concert Hall tonight at 8:05. This will be the first time the opera has ever been broadcast outside Romania.

"Floria" tells the tale of a Romanian folk hero who died broken on the wheel for leading his people in uprising against Transylvanian landowners in the 18th century. The composer's daughter said that, after her father's death, the opera received its first real attention in the U.S.

"The Americans should be proud," she said, "because they gave back to the universal consciousness a great composer."

Board Chairman Nelson Hagnauer of Granite City notes, "I am sure the court could provide a reporter if the state's attorney does not."

He said the state's attorney's office should contact the county's chief judge by letter, asking him of the court's responsibility to supply a reporter.

The state's attorney's office has estimated the transcript and reporter would cost about \$100 for each case. The \$1,100 request was for the anticipated cases between Oct. 1 and Dec. 1.

E. O. Wrights mark golden anniversary

Mr. and Mrs. E. O. Wright, 2240 Benton St., celebrated their golden wedding anniversary during the weekend at a reception held at St. Peter Evangelical United Church of Christ.

The Rev. Robert Kettelhut officiated at the ceremony as the couple renewed their wedding vows in the presence of relatives.

Mr. Wright and his wife, the former Irene Waters, a lifelong resident of Granite City, were married on Oct. 11, 1925 at St. Peter's parsonage. Mr. Wright was born in Deer, Mo.

Mr. Wright retired from National Lead Co. after 38 years of service.

The honorees have a son, Bruce Wright of Granite City, and a daughter, Mrs. W. J. D. Crow, Prescott, Ariz.; Mr.

(Shirley) Wright of Santa Ana, Calif.

They also have seven grandchildren, Lisa, Bruce and Kristin Wright, Granite City, Miss Barbara Fitzgerald, J. J. Fitzgerald and W. J. Fitzgerald, all of Santa Ana, and Mrs. Kathleen Sierra of Westminster, Calif., and two great-grandchildren, Sara and Rebecca Sierra.

Among the guests was an aunt of Mrs. Wright, Elsie Weisenborn of East Carondelet, Ill., who celebrated her 87th birthday at the party.

Other relatives present were Mrs. Adolph Berghorn and Hadley Wright of Union, Mo.; Mrs. J. Breneman, Kansas City, Mo.; Mr. and Mrs. Ollie Wright, Champaign, Mo.; Mr. and Mrs. D. Crow, Prescott, Ariz.; Mr.

and Mrs. George Waters Sr., and Mr. and Mrs. George Waters Jr. of Troy, Ill.; Mr. and Mrs. Carl Gordon and Lynn Hazelwood Mo.; Mr. and Mrs. Joseph Breneman, Overland Park, Kan.; Mr. and Mrs. John Wright and children and Mr. and Mrs. Benno Koehn of Florissant, Mo.

Mr. and Mrs. Gene Rice, Independence, Mo.; Mr. and Mrs. Harold Bauer, Edwardsville; Mr. and Mrs. Harry Marshall, Sparta, Ill.; Mr. and Mrs. Robert Lanaghan, Belleville; Mr. and Mrs. Robert Waters, Bridgeton, Mo.; Mr. and Mrs. Ben Schrader, Cuba, Mo.; Mr. and Mrs. Milford Eldridge and children, Fenton, Mo.; Mrs. Bert Schoepfer, Pochontas, Ill.; Mr. and Mrs. C. Bordevisch, Mrs. Ruth Raitt, Charles Raitt, Mr. and Mrs. Klaus Linke and children, all of East Carondelet; and Mr. and Mrs. Eric Hahn, Edwardsville.

Central Christian to host spaghetti supper Saturday

Group 3 of the Christian Women's Fellowship at Central Christian Church met Tuesday morning in the home of Mrs. Lydia Leggett, 1508 Lindell Blvd.

The main topic of discussion centered on the forthcoming spaghetti supper to be held Saturday from 4 to 7 p.m. at the church. A bake sale also will be featured at the fund-raising event. Tickets for the supper are \$2 for adults and \$1 for children.

Included on the menu will be a salad, creme bread, drink and choice of homebaked cobbler. The hostess gave the lesson entitled "A Little Land On Which to Light His Fire" relating to the American Indians.

Those present were Marge Kacera, Pat Sanders, Carolyn

Yates, Myra Parrish, Marie Gordon, Karen Mitchell and guests. Gretchen Luehmann and Beverly Goyer of Evanston, Ind. Mrs. Sanders will host the Nov. 11 meeting.

RALPH BRAWLEY'S NAME DAUGHTER SUZANNE Navy Fireman and Mrs. Ralph Brawley, Bremerton, Wash., are announcing the birth of their first child, a daughter, born Sept. 25 at the Bremerton Naval Hospital.

They have selected the name Suzanne Marie for the new arrival who weighed seven pounds, nine ounces. The mother is the former Lisa Bolton, a daughter of Mr. and Mrs. Howard Bolton of Granite City. The paternal grandparents, Mr. and Mrs. Sam Brawley, also reside here.

Earl's 19TH AND CLEVELAND

Mat Cougars again appear to be strong

"I'm looking forward to our best season ever."

A bold forecast, but that's how Larry Kristoff, head coach of the Southern Illinois University at Edwardsville wrestling team, views the 1975-76 season. The Cougar grapplers have opened practice for the upcoming campaign.

Bettering a 10-3-1 season that ended with a second-place finish in the NCAA Division II Tournament is a tough order to fill, but Kristoff believes his Cougars can do it.

Back from last year's team are four All-Americans and joining them, a flock of outstanding newcomers.

Leading SIUE's veterans is senior Frank Savagnano of Carol Stream. A two-time All-American, Savagnano finished second in the nation in Division II at 190 pounds and, during the regular season, compiled a 27-5 record, pinning 16 opponents to set a new school record.

Senior Dennis Byrne has also won All-American honors twice. He placed fifth in the nation in Division II at 167. A native of Des Plaines, he had an 18-6 regular season mark.

SIUE's other All-Americans gained that status as only freshmen in Illinois.

Terry Mullen, a native of Oak Lawn, made All-American with a fourth-place finish at 126 pounds. During the regular season, he ran up a 22-7 mark.

Wrestling either at heavyweight or 190 pounds is SIUE's versatile Jerry Washington of Harvey. A junior, Washington was named an All-American in 1974 with a second-place finish at 190 pounds. An injury kept him out of the 75 Division II Championship.

The list of experienced wrestlers doesn't stop there. At 134 pounds, the Cougars have sophomore Dave Robinson of St. Louis. A "red alert" last year, Robinson is a two-time Missouri state high school champion.

Joining him is senior Greg Tuck of St. Louis at 142 pounds. Tuck had a 73-2 record in an injury-plagued season, but in 1974-75 Tuck was healthy and

ran up a 26-2 mark.

At 154 pounds, there's junior Dave Byrne, twin brother of Dennis. Dave, who was red-shirted one season, broke into the starting lineup last year and compiled a 16-10 record. He has been named SIUE's tri-captain this year along with Savagnano and senior Ray McGrath (Richton Park).

"It's easy to see why we have more depth than ever before," Kristoff pointed out.

But those veterans will face stiff challenges from 11 freshmen recruited in the off-season.

The list begins with four Illinois state high school champions. From Edwardsville, the Cougars signed Fred Nemsky, a 1974 small-class state champ at heavyweight from Triad High School. Last year's state champ at 90 pounds, Keith Hubbert of Bloom Township High (East Chicago Heights), brings a 37-0 record to SIUE.

Jim Clark of Oak Lawn won the 105-pound state title in 1974 and had a 28-4 record last year. And there's Robert Fleming, also of Bloom High, who had a 28-0 record, won the 167-pound title and was voted the outstanding prep wrestler in Illinois.

Other freshmen include Steve Garland (Granite City South High), 27-4 record last year at 119 pounds; Joe Kishn (Oak Lawn), 3-1 at 126; Dru Meshe (Deerfield High, hometown Highland Park), 24-4, fourth in state at 138.

Mark Hattendorf (Elgin), 28-1, fifth in state at 135; Charles Scott (Springfield Southeast High in Springfield), 23-31, fourth in state at heavyweight; David Johnson (Jefferson High, Cedar Rapids, Ia.), 17-7, sixth in Iowa at 185; and Nick Moffat (Cleveland High, St. Louis), 7-1 at 155 pounds.

"Overall, we should once again be strong contenders for the NCAA Division II championship."

Besides finishing second last year, SIUE placed third in 1973-74. The Cougars open the 1975-76 season Nov. 14-15 in the Great Plains Tournament at Lincoln, Neb.

WELCOME BACK to Southern Illinois University at Edwardsville. Wrestling coach Larry Kristoff (far left) welcomes his 1975-76 wrestling team. The Cougars finished second in the NCAA Division II Championships.

Thornton to assist Dudley

Dan J. Thornton has been named assistant varsity basketball coach at Southern Illinois University at Edwardsville. It was announced jointly by SIUE's athletic director, Bob Guetker, and the Cougars' head coach, Jim Dudley.

The 29-year-old, 6-7 Thornton, a native of Fairbury, Ill., comes to SIUE following three successful years as head basketball coach of the Black Hawk College-East Campus team, 1972 through 75, and two years as an assistant coach at Creighton University in Nebraska, where he received a bachelor's degree in physical education. He earned his masters in education and physical education at the University of Nebraska at Omaha.

His Black Hawk College team posted a 24-10 record in last season's campaign, the most victories the school has ever recorded. However, percentage-wise, his team's 23-7 record in the 1973-74 season was the school's best.

He won two varsity letters as a member of the Creighton U. squad and was elected president of the Creighton University Letterman Association in 1960-70.

Prior to that he starred in the 1966-67 basketball season on the Oklahoma State Tech team.

At Fairbury High, Thornton played three years on the varsity basketball team, gaining all-state and all-conference honors. He also made the varsity football and track teams for two years.

Stroder captures fall physical fitness honors

Senior Randy Stroder took top honors during GCHS North's fall physical fitness program competition, earning 536 out of a possible 700 points in seven different events — 40-yard dash, mile run, 300-yard run, standing long jump, pullups, pushups and situps.

Total points were taken from a combination of standards set by the U.S. Marine Corps and with established standards set by North High.

Rounding out the top ten, other than Stroder, in overall competition were: Senior Larry Box, 500; Senior Don Rea, 486; Junior Steve Haefner, 488; Senior Carl Bandy, 488; Senior Darrell Williams, 486; Freshman Todd Reer, 486; Freshman Wayne Delozier, 480; Senior Randy Miles, 470; and Freshman Jim Scarbrough, 468.

District girls' tennis to open here Friday

Coaches of participating schools in this weekend's GCHS South girls' district tennis meet will cast ballots this evening for seeding of players prior to the drawing of pairings for singles and doubles competition.

District competition will begin at 3 p.m. tomorrow, simultaneously, at three tennis courts here — GCHS North and South and Wilson Park.

Quarterfinals will be played, starting at 10 a.m. Saturday, at the GCHS South and Wilson Park courts only. Semifinal and final rounds will follow immediately at GCHS South's courts.

Schools entered here are GCHS North and South, Belleville East, West and Althoff, Cahokia, East St. Louis and East St. Louis Lincoln.

South High's district meet coincides with 29 similar meets to be held around the state, beginning the fourth Illinois High School Association tournament series.

The top two in singles and doubles at each district will be joined by the top four in each category from the Chicago Public League tournament in the state final tournament.

The state meet is set for the weekend of Oct. 24-25 on the courts of District 214 in the Arlington Heights area near Chicago. The final matches in singles and doubles will be played on the courts west of Arlington High School.

Close competition is expected in singles competition here between GCHS South's Robin Deterding and Cahokia's Dana Hawkins.

During regular season competition this year, Miss Deterding has gone undefeated in six matches following a season-opening loss to Dana Hawkins in two sets, 7-5, 6-3.

Robin Deterding took runner-up honors here last year behind Dana Hawkins. Both advanced to state championship, where Miss Deterding lost in first-round action to an eventual state tournament runnerup.

Possibly competing also in singles for South (with season records shown) are: Melody Roseman 4-1, Tammie Dewey 3-0 and Lori Doehwat 2-1.

Heading GCHS North's singles players is Joy Pierson with a 4-3 season mark. Three other North High players have identical 2-5 records — Tina Taylor, Sue Hommert and Margie Cooke.

North High will send the undefeated duo of Lea Ann Rainwater and Cindy Campbell into doubles action. The two will be backed up by Jan Bee and Patti Melzer, Kim Turner and Margie Verschuy, and Mary Bequette and Crystal Andrews.

GCHS South's Theresa Hayes and Christi Bauer team together in that school's doubles competition, along with Mary Hutchings and Jan Mateosian, Linda Vaughn and Carla Svoboda, and Carla Knezevich and Lori Doehwat.

HURT AFTER PASS RECEPTION. David Kwiatkowski of the GCHS North football Steelers was the center of concern by coaches, officials and players when he was injured on the field during North's 26-6 Fall

North seeks sixth 75 win at Althoff

GCHS North's defensive squad is again earning the nickname "Granite City Rock," a possible repeat of last year's defensive strength which helped the Steelers to an 8-2 season record, including a berth in the state football playoffs. North High is now 5-1.

The next North game will be played at the Belleville West stadium, but not against West. Coach Tom Wyrostek will put the Steelers defense and offense to work Saturday at 8 p.m. in Belleville against the Althoff Crusaders of the Bi-State Conference, with hopes of keeping North High's three-game winning streak alive.

If it can keep winning North may be able to qualify as an independent school for this year's Class 4A state playoffs. The gridiron Steelers have held opponents to a total of 27 points scored in six games, while North's offense has racked up 111 points.

Enemy turnovers have occurred on 11 fumble recoveries by the Steelers and 12 pass interceptions. Larry Schlicher heading the latter with five.

North has gained 484 yards on the ground. Quarterback Greg Corey has chalked up 711 yards in the air on 55 completions in 96 attempts.

Leading the Steelers in "pass receptions" is David Kwiatkowski, a 6-2, 175-pound senior. Thus far, he has passed for a gain of 299 yards, including a touchdown and a two-point conversion last Friday in North's 26-6 win over Assumption.

North on Saturday will meet a team that last year was mainly a running club. But with Senior Brian McFarland, a defensive back turned quarterback, Althoff has a balanced aerial and ground game.

"He (McFarland) executes well," notes Coach Wyrostek, "and his passes, combined with the speed of Charlie Leonard, provide a threat to any opponent."

Althoff, now with a 33 record, opened the season with two straight losses — 7-6 to Belleville East and 33-0 to Belleville West — before winning twice — 26-13 over Newton and 21-0 over Assumption.

The Crusaders next lost 16-0 to Christian Brothers College of St. Louis before downing Mater Dei of Breese 27-7 during the past weekend.

Halfback Leonard, in Althoff's win over Mater Dei, rushed for 146 yards on 14 carries, including a TD. The 165-pound senior added another TD on a 37-yard pass from McFarland.

It marked the third time this season Leonard has rushed for more than 100 yards in a contest.

The Crusaders, with Senior Bobby Hemmer also in the backfield, have almost unlimited depth in 33 returning

lettermen, and a fine crop of juniors who last year led the sophomore squad to an undefeated 10-0 season.

"The game will be a new experience for both schools," adds the North coach, "since it will be the first time ever that we will have met on the field."

Warriors, Redbirds match 3-3 records

GCHS South and the Alton Redbird football team will meet at 8 p.m. tomorrow at Alton with identical 3-3 records. Both enter the contest off big wins. This past weekend, the South Warriors handed Collinsville a 14-7 loss and the Redbirds upended Belleville East 14-12.

Alton's victory was its first after two straight losses—20-7 to Edwardsville and 16-10 to Collinsville.

The Redbirds started the season with a 22-0 shutout win over Terre-Haute, Ind., lost 12-10 to Quincy and bounced back with a 30-0 shutout victory over Cahokia.

Three weeks ago, South High defeated Cahokia 27-0, indicating that tomorrow's contest could be close.

"Alton," comments South mentor Stan Wojcik, "runs a variety of plays off a wing-it formation and has a lot of speed in the backfield."

Alton's speed is in the form of Andy Hightower, who scored both touchdowns against Belleville East, a 51-yard pass play from Quarterback Brad Hewitt and an 82-yard kickoff return.

Hightower was the recipient of three Hewitt aerials in the game for 90 yards of the Redbirds' total of 123 yards in the air.

Also active in the backfield are Senior Dave Gibbons, Senior Lindsay Jungers and Senior Lloyd Gill.

They and Hightower are four of Alton's 11 returning senior lettermen.

The others are: Guard Gary Baldrige, 180 pounds; Tackle Tony DeAngelo, 205; Linebackers Doug Bonnell, 175; Matt Fessler, 170; Jim Gaspard, 200; and Scott Sandridge, 185; and Guard Steve Trappay, 200.

South's offense, with Quarterback Bryan Bunjan at the helm, has shown it can move the ball against opposing schools. It has picked up 56 first downs, 836 yards rushing and 375 yards in the air, and completed 18 of 71 aerials.

Three Warriors have gained more than 200 yards rushing thus far—Frank Barumia, Alan Benko and Joe Ward.

Ward also has more than 100 yards gained on Bunjan aerials, one of which was a 75-yard TD pass play against Collinsville.

Festival win over Assumption. He and Richard Schmidt, also hurt in the game, both participated in practice drills this week and are expected to be in the starting lineup this weekend.

North 3rd in invitational

GCHS North golfers competed Monday in a Springfield-Southeast invitational tournament, finishing third in the meet with 324 strokes.

Edwardsville won the meet with 319 strokes. Alton was second with 325, North third and Wood River fourth with 335 in the 12-school tournament on a par-72 golf course.

Gary Eaker, who placed fifth on a similar course Oct. 10 with a 79 score at Roxana's district meet, took 79 shots Monday in leading North High's effort on the 18-hole course at Springfield.

Brian Winfield had 82, George Barts 86 and Bob Harper 87 at Springfield.

The top three school finishing positions at Springfield were the same as in the Roxana district competition, which had earned the three teams—Edwardsville, Alton and GCHS North—a berth in the Illinois High School Association Class AA sectional meet at 4 p.m. tomorrow and on Saturday at the Springfield Southeast golf course.

Winfield's 82, Barts' 86 and Bob Harper's 87 scores at Springfield also were identical to the scores they posted at Roxana.

Competing also at the sectional with the North Steelers will be the top qualifying schools from the Belleville West district meet—West with a 301 score, Belleville Althoff 313 and Belleville East and Mascoutah, each with 321.

The top three teams and also the top three individuals not members of qualifying teams will advance from the Springfield sectional to the 58th state tournament the weekend of Oct. 24-25 on the University of Illinois Orange and Blue Courses at Savoy, Ill.

Warrior harriers defeat O'Fallon

Warrior Harrier Frank Holmes led two of his teammates across the finish line in close competition for first place here Monday, South defeating Alton 17-43 on South High's 2.7 mile cross-country course. Holmes ran the course in 14 minutes and 59 seconds. He was followed across by Don Mesinger, second, and Randy Presswood, third, Glen Ahlers placed seventh.

Steeler kickers outscore Alton 2-0

Two second-quarter goals off the foot of Steeler Dave Robertson Tuesday provided GCHS North with a 2-0 soccer win at home over Alton.

Robertson twice attempted his first goal. His initial shot bounced off the post to Steeler Eric Thornburg, who pushed the ball back to Robertson for the successful kick.

Marty Doolley got the assist on Robertson's second goal, sending the ball sailing past a line of Alton defenders to Robertson at the mouth of the goal for a push into the net.

North players attempted 16 shots-on-goal to Alton's six, and Goalkeeper Rick Demaree had four saves.

North had 12 fouls and Alton 10, and led six cornerkicks to the visitors' two.

Busy Trojans will play again Saturday

Madison High School's football Trojans venture to Hardin, Ill., Saturday for a 7:30 p.m. contest with Calhoun-Hardin High School, with hopes of handing the northern team its sixth loss of the season.

Hardin, coached by Terry Strauch, lost its first four games this year—8-0 to Virginia, 16-0 to Jacksonville, 30-6 to Pleasant Hill and 14-0 to Rost of Jacksonville—before defeating New Berlin two weeks ago 12-8. This past weekend, Hardin led 32-6 to Carrollton.

Quarterback David Fanning, 5-9 and 150-pound sophomore, will start in only his third contest of the season Saturday.

He substituted for starter Randy Ponderbaugh, who was injured in the New Berlin contest and helped give his team a win with a 25-yard touchdown pass to Receiver Curt Church.

Fanning had eight completions in 12 attempts for 76

yards. Heading Hardin's rushing game is Senior Joe Webster.

Rotary making final United Way contacts

Members of the Madison-Venice Rotary club were asked at their Wednesday noon meeting in the Madison Recreation Center to have their United Way calls completed by next week's meeting.

Rotarian Wayne Scannell reported that the pledges were coming in well and the Madison-Venice area should make a good showing in the drive.

Scannell also reported that the Rotary bicentennial necktie sale is doing well. He encouraged everyone to sell the ties.

The club made tentative plans to order blazers with the Rotary

emblem on them. The M-V Rotarians also are planning to purchase \$400 worth of tapes for the M-V public and parochial schools.

A ladies' night is scheduled Wednesday, Nov. 19 at the Plantation Theater. Members wishing to attend are asked to make their reservations by the Wednesday noon meeting, Nov. 4.

Rev. Michael Smith introduced Lee Ashby, a faculty member at Madison High School who discussed the activities of the Future Secretaries of America chapter active at MHS.

Nameoki centennial in '76

At the suggestion of Auditor Norman Hessler and Nameoki Township Supervisor Louis Whitsett, the Nameoki Township Board of Auditors agreed Monday night to consider ways of jointly celebrating the nation's 200th birthday and Nameoki Township's 100th anniversary next year.

Whitsett said he was preparing for the nation's 200th anniversary celebration by studying Nameoki Township's history, as recorded in the Madison County Historical Museum. He said while researching the township's history, he discovered that it was first chartered as a township in 1876.

He explained that when early maps were drawn, the Mississippi River often changed course and where Nameoki Township originally went to the bank of the river, including all of Granite City, Venice Township actually went into Missouri.

For a time, there was a "squabble" whether Missouri or Nameoki Township owned Granite City's territory, Whitsett contended.

He said his research showed Nameoki was an Indian word meaning "Smoky valley," which is believed to have come from the many ceremonial fires and heating fires ignited by the Mississippian Indian culture

when Cahokia Mounds and Monks Mound were the center of Indian culture throughout this area.

Monks Mound also was believed to have had forges which produced quite a bit of smoke, Whitsett said he discovered.

Mrs. Helen Hawkins, a township resident, said she disagreed with the old township boundaries, saying she has old maps showing the entire Nameoki area under the heading Venice.

The auditors decided to use the bicentennial research to determine which point of view is supported by historical data. Whitsett continued that

Stallings Station was one of the first settlements in this area and was a train station.

Kinshaus, near what presently is West Pointon Road and Nameoki Road, was named for the hook then used to catch mail by passing trains which did not stop.

Whitsett contended there is disputed evidence indicating Pointon Beach may have been named after a gambling game called Pointon which was played in large gambling establishments near the beaches along Long Lake, but village officials hope to resolve several different ideas as to how the village was named.

Whitsett said his research indicates the first Nameoki Township meetings were held in the building which formerly held the Old Fellows Hall on Nameoki Road near the Granite City Nameoki Fire Station.

Whitsett requested that the Town Board consider taking some course of action to celebrate the township's centennial in connection with the country's bicentennial celebration.

Hessler suggested the board

consider appointing a citizens' committee to research the township's history and prepare appropriate observances.

Whitsett also asked the township's endorsement of a plan to redecorate the lobby of the Madison County Courthouse at Edwardsville into a permanent exhibit celebrating the nation's bicentennial.

The plan calls for a bronze statue of James Madison, after whom the county was named, in the center of the courthouse lobby, surrounded by bicentennial exhibits from cities, townships and villages throughout the county.

An artist at Southern Illinois University at Edwardsville has offered his talent in preparing the statue; if the county will donate the bronze, Whitsett explained.

Whitsett is chairman of the County Board's committee which is planning the courthouse improvements. He ex-

plained that real trees will be placed in all four corners of the lobby and that the snack bar and information booth will be removed, clearing the lobby for the display.

A ramp for the handicapped also is being constructed in connection with the improvements, he added.

Benches will surround the statue and the outside walls of the lobby will contain showcases with the displays of the various governmental bodies with the history of each area, he explained.

He said many bodies and governmental officials already have endorsed the plan and requested the township's endorsement.

The township auditors were unanimous in their support and Whitsett requested Town Clerk Douglas Teator to prepare a letter supporting the plan which can be used in supporting requests for state funds for the projects.

Fashions — Past and Present in style show Sunday

Ollie Raymond, weatherman, musician, sports announcer and host-producer of KMOX-TV's St. Louis Illustrated, will serve as guest commentator at the "Fashions—Past and Present" style show to be given at 2 p.m. Sunday at St. Peter Evangelical United Church of Christ.

Sponsored by the Granite City Business and Professional Women's Club, the show represents the largest single fund-raising event to be offered by the club each year, and also serves to launch "National Business and Professional Women's Week" in the community.

All proceeds will be used to help finance scholarships awarded by the local business women's club and support its ongoing assistance programs throughout the year. Mrs. Lil Marzluft, general chairman, explained.

She said a total of 60 models will appear in the show, presenting the latest clothing fashions provided by retail merchants in Downtown Granite City and the suburban shopping areas.

Additionally, show patrons will be entertained with musical selections from "South Pacific," performed by members of the East Bank Players, the Quad-City area's theatrical troupe.

Refreshments will be served and numerous prizes will be distributed to those attending, Mrs. Marzluft said.

Donations of \$2 per person, will be accepted at the door Sunday, or tickets may be obtained in advance from club members.

Mrs. Marzluft said in keeping with the Nation's 20th anniversary several fashions from the past will be modeled in the show.

A man of many talents, Ollie Raymond began his broadcasting career in the field of music with a CBS radio network program, "Saturday at the Chase."

From 1960 to 1965, he hosted four live radio shows in Chicago for WBBM-CBS, and "Ollie Raymond and His Band" was a popular music program broadcast from the Conrad Hilton and Sahara hotels. He also hosted a "Luncheon With Ollie" series and appeared as the lead personality in "The Goldcoast Show."

Raymond joined KMOX-TV

in 1965 and provided color commentary for pre-season Cardinal football broadcasts in 1968 and 1969. He started giving weather forecasts that year and was named weatherman for the weekend news broadcasts. He began as weatherman on the "Newsroom" telecasts in 1970, appearing in the 5, 6 and 10 p.m. segments.

In April 1973, Raymond was named KMOX-TV's "link man," a new concept in television which included on-camera appearances throughout the day giving public service announcements, time, weather and temperature checks and station identification.

He also hosts and produces the magazine formatted public affairs program—St. Louis Illustrated—which is broadcast live from 4 to 5 p.m. each Saturday.

Raymond is a native of El Paso, Tex., and a graduate of the University of Texas at El Paso with a bachelor's degree in journalism.

Background music for the show will be furnished by Jack Jenkins at the organ. Mrs. Rosemary Baseden, BPW president, will welcome the guests and Mrs. Marzluft will introduce the program.

Members of the BPW style show committee, include Mrs.

Rebecca Slate, co-chairman; Mrs. Lois Wetton and Mrs. Judy Stille, fashion coordinators; Mrs. Emylee Alfard, decorations; Mrs. Lorraine Sadrakula, photography; Mrs. Judith McCann and Mrs. Dolores Allen, prizes; Mrs. Carolyn Koester, tickets; Mrs. Louise Lewis, entertainment; and Verna Lengyel, Annelien Smith, Helen Robertson, Betty Smith, Lavelle Stephens, Kathryn Smithson, Marilyn Lunsford, Ollie Derr, Anna Giese, Marionrose Lambert and Helene Blachoff.

Retail stores displaying clothing fashions in the show include: Lois' Fashion Hut; Marilyn's House of Fashion; Tops 'N' Bottoms; Annex Two; Boutique II; Gik's Department stores; Leader Department stores; Libson Shops; Lord Nelson's; and Wayne's Men's Store.

Jewelry will be presented by Michel Jewelry and Gift Shop; Sarah Coventry Jewelry; Hudson's Jewelers; and Walker's Jewelry and Gift Shop. Daniel's Shoe store will furnish shoes; hair styles will be by Miss Betty's Corner Place; and musical instruments by Jack Johnson Music, Inc.

Models will be Edna Kohlbrecher, Barbara Fulmer, Marie Hampton, Caroline Koester, Verna Lengyel, Betty Robertson, Wanda Terry, Janice Koehler, Julie Jerham, Marsha Jones, Lionell Portell, William Ong.

The Rev. Paul Surbey, the Rev. Carl Eschenbrenner, Sherrie Jones, Elizabeth Marzluft, Deane Jones, Elmer Stille, Jim Healy, Cheryl McCormick, Jolene Mushill, David McCormick, Albert and Tiffany Bax, Jeanette Sexton, Pat Bax.

Nameoki Church bazaar set

"If I Had One Sermon to Preach" will be the theme of Sunday's message at the Nameoki Presbyterian Church, 1700 Pontoon Road, where an evangelism emphasis has been the congregational theme, according to the Rev. Don F. Pierson, pastor.

Rev. Pierson reported that he and Al Bagl, Mrs. Genevieve McComis and Mrs. Mrs. William Corliss attended the national Evangelism Helper Clinic held in Cincinnati, Ohio. A six-week course in evangelism and followup begins today at 8 p.m. at the church. Rev. Pierson added.

The minister also announced the women of the church have been working each Monday in

opportunities through education along lines of industrial, scientific and vocational activities.

Membership is open to all working women. Interested persons are invited to contact any club member for information.

Their homes to create a variety of handmade items for the Christmas Bazaar scheduled Saturday, Oct. 25, at the church. Among the articles to be offered for sale will be afghans, tooled leather items and dolls. The items will be displayed from 10 a.m. to 4 p.m. All proceeds from the event will be used to purchase new pew cushions.

Rev. Pierson reported the New Bethel Presbyterian Church near Salem, Ill., which he formerly pastored, was used as headquarters for the law officers seeking the escaped convicts from Marion penitentiary.

Most overdue treatment fee bills settled

Attempts to collect 28 overdue accounts from the Quiet Valley Lagoon sanitary sewage system through the use of court action has been very successful and those who have not responded to the threat of a lawsuit will be called into court this week, the Pontoon Beach Village Board was told Friday evening.

It was reported that several residents notified to appear in court this week have paid all outstanding treatment bills and lawsuits against them will be dropped.

The board also voted to increase the pay of Deloris Scott, secretary and bookkeeper for the lagoon system, from \$40 per month to \$50 per month, retroactive to May 1. The lagoon system is operated by the Village Board.

Hiring selection proposal unworthy of local university

Southern Illinois University at Edwardsville ought not to recommend the SIUE Board of Trustees to the convicted East St. Louisans tentatively hired as federally-funded research associates. If the administration does submit the recommendation Nov. 13, the trustees ought to reject it.

The former East St. Louis School District officials were convicted of extortion and racketeering in a kickback scheme involving school district funds. One had been a board member and the other had held the position of business manager.

Training by United agency aided in rescue of burned man

Stephen Ray Smith of Mitchell, an SIUE student, may be a bit embarrassed by the continuing national publicity over his 1973 rescue of a man burned and further endangered by high-voltage power lines atop a 40-foot ladder.

But the exploit was a courageous act and he will probably have to endure such attention as the October 1975 issue of Guideposts magazine.

Wolf described as capable new member of Illinois House

Collinsville Herald comment — From the start, it has been apparent that Sam Wolf had the inside track on the House position of Horace Calvo, who resigned to become a circuit judge.

The only question was whether a man with a successful real estate and insurance business wanted the state position, which in these days of annual sessions is a time-consuming one. He did and he has now been appointed.

There was some muffled criticism of the procedure. An Alton committeeman protested that appointing officer County Chairman Nelson Hagnauer had been elected only by the Executive Committee, not by the whole committee.

The technically may have been valid, although party officials seem content the way it is, but it runs up against the practical fact that if the whole committee had voted, Hagnauer would have been the overwhelming choice anyway.

Democrats at least won't criticize the

Smith sells Meter Systems Division

An agreement to sell the Meter Systems Division of A. O. Smith Corporation to Geosource, Inc., of Houston, Texas, was announced Tuesday in Milwaukee.

L. B. Smith, chairman and chief executive officer of A. O. Smith, and B. P. Loughane, president of Geosource, said the sale will be effective Jan. 1, 1976.

Terms of the agreement were not announced.

Headquartered in Erie, Pa., the Meter Systems Division is a major supplier to the petroleum industry of turbine and positive displacement meters, meter groovers, strainers, hydrant valves, computers and a full line of mechanical and electronic instrumentation.

The division has manufacturing, testing and assembly facilities in Erie, Pa., Okla., and Ellersburg, West Germany. Its products are marketed through a worldwide distributor and service network.

Smith said the decision to sell the long-term growth opportunities of other parts of the company's operations.

A. O. Smith is the world's largest manufacturer of automobile and truck frames and the major manufacturer of automated animal feed processing and storage systems, and holds leading positions in the manufacture of water heating equipment and electric motors.

A. O. Smith-Inland Inc., a leading manufacturer of metal powder and fiberglass reinforced plastic pipe.

A. O. Smith entered the petroleum measuring business in 1927 when it acquired the Smith Meter Co. of Los Angeles. In 1948 it acquired the service station pump division of Neptune Meter Co. and in 1958 it

Suspect boys in burglary

Two boys are suspected of having ransacked the home of Alfred Watson, 2533 Benton St., at 2:30 p.m. Monday. One boy has been questioned but was released pending further investigation.

A neighbor said two boys parked their bicycle in her driveway and walked to the rear of the Watson home. They then returned to the front and walked onto the sunporch. The neighbor said she sent her husband to investigate and he found the sunporch door locked, but said the front door to the house could be seen and was open.

The boys were believed to have left the home through the rear exit, which the neighbor could not see.

Watson returned to find the front door had been kicked open and furniture in front of the door had been pushed away to allow entry. The house had been ransacked.

The rear door was left standing open. Watson said he did not believe anything had been stolen.

Fire destroys shed, cash hidden there

Fire destroyed a storage shed at the rear of the home of Elizabeth Bedian, 1720 Olive St., Monday, causing \$500 damage to the building and \$260 damage to the contents, including \$160 cash which Mrs. Bedian said she had hidden in the shed, wrapped in newspapers.

She said she saw one or more children, about 8 to 12 years of age, set fire to the storage shed and run into the alley.

Firemen reported they had difficulty reaching the fire because of a trash barrel which had been pulled into the alley, possibly by the juvenile or juveniles.

Firemen reported the interior of the shed was gutted. Haig Nighobossian said he was walking past the house and saw the fire. He attempted to extinguish it with several buckets of water, but was unable to keep the fire from spreading.

Youths caught near new auto break-ins

Two 16-year-old youths, one from Venice and the other from Madison, were released to their parents pending issuance of warrants by Madison police, after they were taken into custody during the weekend.

Police said the youths had broken into several new autos in transit by rail while the freight train was stationary on the west side of the Illinois Central-Gulf tracks near Bissell Street, Madison.

The windows of two cars were broken and glove compartments had been rifled. Spare tires removed from two of the vehicles were found nearby.

A Venice police officer saw the two youths running south along the tracks and found them hiding in a patch of weeds. They were turned over to Madison officers.

Lower thermostats do save much energy, study concludes

An energy conservation study at Holifield (formerly Oak Ridge) National Laboratory shows that reductions of thermostat settings in all U.S. homes from 72 to 68 degrees during the winter heating season could result in savings

equivalent to more than 2.3 per cent of the nation's total energy consumption. Further, additional nighttime setbacks from 68 to 60 degrees could increase the savings to 3.6 per cent — and to 4.1 per cent if thermostats were set back at

night to 55 degrees. The 4.1 per cent reduction is equivalent to one-fourth of U.S. petroleum imports, which now total approximately 6.5 million barrels per day.

The study, "The Energy Conservation Potential of Winter Thermostat Reductions and Night Setback," was carried out under the Holifield National Laboratory-National Science Foundation RANN (Research Applied to National Needs) program.

It was supported jointly by the Federal Energy Administration and NSF under an interagency agreement with the U.S. Energy Research and Development Administration (ERDA).

The study notes that many Americans have believed that reducing their thermostat setting below 68 degrees at night will not save additional energy, because of the increase required to re-heat the house to daytime levels in the morning, but it says that this notion is incorrect.

In fact, the nighttime setbacks have the potential for nearly doubling the energy savings realized through initial reductions in thermostat settings from 72 to 68 degrees. According to the study, the strategy of nighttime setbacks hasn't received wide acceptance owing to the lack of information concerning its

validity as a conservation technique. But because nearly one-fifth of the total energy budget is used in the home — and 77 per cent of this for space heating — the study concludes that "more efficient use of energy in home heating could have a major impact on residential as well as total energy demand."

The study found that, as far as percentages go, the energy savings resulting from thermostat reductions and night setbacks are greater in milder climates than in more severe ones. But the actual dollar savings in energy costs are greater in colder climates, because fuel bills are higher in these areas. Therefore, the economic incentive to the homeowner is greater the colder the climate in which he lives, the study concludes.

Graduate fellowships

Approximately 800 graduate fellowships for 1976-77 are available through the National Science Foundation for individuals working towards master's or doctoral degrees in the mathematical, physical, medical, biological, engineering and social sciences and in the history and philosophy of science.

David Brown, assistant dean of the Graduate School at Southern Illinois University at Edwardsville, reports that applicants must be U.S. citizens by March 1, 1976, without graduate experience prior to the summer of 1975.

The fellowships include a stipend of \$3,000 for a 12-month tenure plus remission of all tuition and fees. A limited travel allowance may be paid, but there are no dependency allowances.

Second and third-year extensions of the fellowships are contingent upon recommendations and available funds. The awards may be used at any non-profit United States or non-profit foreign institution of higher education.

Application materials, including registration forms and information on required examinations, are available from the Fellowship Office, National Research Council, 2101 Constitution Ave., N.W., Washington, D.C. 20418. The deadline for filing applications for graduate fellowships with the National Research Council is Dec. 1, 1975. All applicants will be notified of the outcome of their application by March 15, 1976. Additional information may be obtained by contacting the Graduate Office, located in Room 2202 of the General Office Building of SIUE.

Deadline for research grant applications

The National Endowment for the Humanities (NEH) has set a deadline of Dec. 1, 1975 for proposals to the General Research Program, according to the Office of Research and Projects at Southern Illinois University at Edwardsville.

Research grants are awarded to strengthen American scholarship in the humanities, provide support for the discovery of new knowledge, and deepen humanistic understanding. Research projects are usually long-range, and frequently involve the collaborative efforts of several professional humanists.

Fields of support include the study of language, linguistics, literature, history, philosophy, archaeology, comparative religion, ethics, the history of the arts and the study and application of the humanities to human environment.

All applicants should make initial inquiry of the NEH staff concerning their projects well in advance of the deadline. Additional information about this program is available from the Office of Research and Projects at SIUE.

British play role in bicentennial

The British are playing a role in the American Bicentennial observance, and not as losers in the Revolutionary War, according to Mr. and Mrs.

Les Rees of Buckner, Ill., who have visited often in Granite City. Rees is the brother of Mrs. Raymond Kester, 1701

Sycamore St., and is a representative of the Dunbar Meter Corp. which installed most of the parking meters in Granite City.

Mr. and Mrs. Rees returned recently from England where they visited relatives for the first time in 30 years. Mrs. Kester said she and Mr. Rees and four other brothers came to

America as small children and still have a large number of relatives in England. One of the highlights of the Rees visit was a trip through the ancestral home of George Washington, who led America to independence from Great Britain. Now owned by the British National Trust, an organization set up to preserve historic buildings of that country, it is one of many historic sites which normally charge admission for tours.

But, as a special gesture to the Bicentennial, all Americans will be able to visit the home without cost during the celebration. One of the first things Mr. and Mrs. Rees found when they visited Washington Old Hall is that George Washington's direct ancestors weren't named Washington at all. Washington was descended from William de Herburn, who took over the ancestral home in the year 1185. In those days

there were no surnames, and William had taken the name "de Herburn," which was the name of the village where he had previously lived. When he took over Washington Old Hall, he dropped the "de Herburn" part of his name, and assumed the name of his new home. It really gets complicated, the Rees said, but, as a pamphlet given to visitors to Washington Old Hall explained, it really wasn't Washington in those

Colonies in 1656. The home is in Washington Village, in County Durham. In time this became Washington. A lot of time elapsed between William's purchase of the home in 1185 and the birth of George Washington, American, in 1732. George Washington never actually lived there, of course, because his great-grandfather, Col. John Washington, emigrated to Virginia in the

Aaron Hammond, 75, dies

Aaron Hammond, 75, of 616 Hawthorne St., died at 5:30 p.m. Monday at Jewish Hospital, St. Louis. He had been ill two years.

He was born in Crawford County, Ind., and resided here

several years prior to moving to Wood River eight years ago. Mr. Hammond was employed for 25 years at General Steel Industries and retired in 1965. Survivors include his wife, Mrs. Margaret (Allen) Hammond; two daughters, Mrs. Lee (Patricia) Mitchell and Miss Shirley Jean Hammond, both of Wood River; two sons, James D. Hammond of Midway, Ill., and Gerald Hammond of Rantoul, Ill.; two sisters; five brothers and 10 grandchildren. Funeral arrangements are given in the obituary column.

Survives high-speed auto crash

A Southern Illinois University at Edwardsville student survived a high-speed motor vehicle accident which covered more than 500 feet on South University Drive Monday and was climaxed by an aerial "catapult" which clipped six feet from the top of a 20-foot fir tree.

Being treated at Wood River Township Hospital is Vonzell Washington, 19, of 117 N. Main St., Edwardsville. He suffered multiple bruises, lacerations and internal injuries, and a possible ankle fracture.

University police said the accident occurred while Washington was northbound on University Drive, near the Bluff Road entrance. The 1969 auto "rode the guard rail" for 35 feet and crashed end-over-end several times into the mall area between the lanes of the highway.

Finally, the vehicle struck an embankment which apparently caused the car to become airborne, catapulting it into the top of a fir tree, 14 feet above ground level. The car landed 20 feet beyond the tree, 500 feet from the point where Washington apparently first lost control.

Police estimated the car turned over at least three times. It came to rest on its wheels. Washington had been driving clear and was able to walk along the highway until he was picked up by another motorist, who took the injured man to Edwardsville.

He was charged with failure to reduce speed to avoid an accident.

Chapman talks at law seminar

Morris B. Chapman, a local attorney, presented a lecture on jury selection, titled "What to Look For in a Prospective Juror," during the weekend in Chicago.

Chapman was one of several attorneys to make presentations at the tenth annual Trial Evidence Seminar, held at the Pick-Congress hotel.

Theme of the seminar was "The Hidden Persuaders." The program emphasized techniques to be employed in jury selection and final arguments.

The Illinois Institute of Continuing Legal Education, in conjunction with the Illinois State Bar Association, conducts programs throughout Illinois. Attorneys attending the meetings receive credit toward continuing legal educational requirements.

BICENTENNIAL UNIVERSITY. The Bicentennial Committee of Southern Illinois University at Edwardsville displays a flag that has been awarded the university by the American Revolution Bicentennial Administration (ARBA). Members of the committee are (left to right): Warren Brown, Robert Erickson, Eric Sturley, Edwin Warren, Edward Hudlin, Annette Mulvaney Graebe, the chairman, and Patrick Riddleberger. The Bicentennial program planned at SIUE will officially begin at 9 a.m. Monday, Oct. 20, at

the campus flagpoles. The Scott Air Force Base band will present a musical salute, and the SIUE Air Force Reserve Officer Training Corps color guard will hoist the Bicentennial flag. SIUE President John S. Rendleman and Delbert Black, regional director of ARBA, will be among those present. If weather permits, a Bicentennial hot air balloon will be launched. In the event of bad weather, the ceremony will be held in Goshen Lounge in the University Center.

Nurse assistant course to start

A special Nurse Assistant Program for nurse aide or orderly will be offered by Belleville Area College at its Granite City Center, beginning Nov. 3. The six-week series of classes will meet for five-hour sessions on Monday through Thursday. Class hours will be from 4 p.m. to 8 p.m. at Granite City High School South. Registration for the course will take place between the hours of 4 p.m. and 8 p.m. Oct. 29 and Oct. 30 in Rooms 115 at South High School. Cost of the course is \$45 per student. Further information may be obtained by calling the local BAC center at 431-8080 from 1 p.m. to 5 p.m. weekdays. **READY-MIX CONCRETE** CALLYBARGER 432-3187 or 432-6180

Accidents biggest killer

The danger of overconfidence and of cynicism has caused man finally to come face to face with a problem he has failed to surmount, and that is traffic accidents, according to Officer Glenn Wright of the Granite City Police Department. Wright was the guest speaker at the Tuesday noon meeting of the Granite City Rotary Club in the YMCA. He emphasized traffic safety in connection with the American Awareness Week program. Awareness Week will be observed from Saturday to Oct. 25 in the area. "Despite all our progress, despite the control of disease, despite our ability to harness nuclear power, the prospect of conquering space and the countless other advances, we

are about to lose our hard-won laurels," Wright said. "With all our tremendous achievements in science and culture, in industry and medicine, we have failed to substantially suppress the greatest killer of modern times—death on our highways," he added. "Last year, 55,600 men, women and children were killed in traffic accidents. Since the advent of the automobile, we have killed more of our fellow Americans on our highways than were lost in all the wars in which this country has engaged since the War of the Revolution nearly 200 years ago. "No other problem of the same importance in our life and security has gone so long with so little correction. What is wrong with us, that we sanction

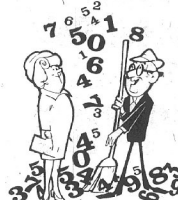

the slaughter of thousands of people on our highways and streets each year? Let me tell you. It is because we are unwilling to face facts. We're giving accidents the ostrich treatment, with our heads in the sand. "We know that almost 88 per cent of all highway accidents are totally unnecessary. That they could have been avoided; that they are the result of the violation of established and well-recognized traffic rules and regulations, or of out-and-out carelessness and discourtesy. "Here in Granite City we have had four people killed so far in 1975. That's one person killed every two and one-half months. We have had, so far this year, 281 personal injury accidents and 95 property damage accidents. We're averaging 119 traffic accidents per month here in our own town," Wright said. Wright called for the Rotarians to make a special effort to be just a little more careful and to encourage their families and friends to drive more carefully, observing speed and other traffic laws. The Rotary Club voted to make a contribution to the local chamber to help with the expenses of Awareness Week. The club also is making a contribution to the Band Parents club of both Granite City High School North and South. In cooperation with the YMCA, a program called "The Job Game," a six session training course will be held in the near future to help people prepare to look for work.

Music spanning U. S. history will be sung

The University Center of Southern Illinois University at Edwardsville will be filled with the sound of American vocal music tonight. Gregg Smith Singers will present "200 Years of American Vocal Music" beginning at 8:15 tonight in Meridian Ballroom. "The music will range from that of the first important national composer, William Billings, through outstanding 20th century composers such as Irving Fine, William Schuman, Charles Ives and Aaron Copland," according to Leonard Van Camp, professor of music at SIUE. Church, high school and junior high school music directors were invited to participate in a choral reading session conducted by Smith from 4:15 to 5:15 p.m. today at the Meridian Ballroom. At noon, Smith conducted the SIUE Concert Chorus in the Opal Lounge, and from 1:30 to 4:30 he directed singers from several high schools in the 13th annual choral clinic. The Gregg Smith Singers have won three Grammy awards and have been acclaimed as "perfection in choral singing." They have completed four European tours and have appeared throughout the U.S. with such conductors as Igor Stravinsky, Leopold Stokowski and Ernst Krenek. The concert is the first event of the Cultural Arts Series offered by the Cultural Arts Council of SIUE. Tickets are available at the SIUE University Center Box Office at \$1.50 for SIUE students and \$2.50 for non-students.

Motor, radio stolen from impounded car

The engine and radio were stolen from a Volkswagen Granite City police were keeping impounded at the Granite City Street Department, 2301 Adams St., officials discovered Monday.

The chain link fence at the rear of the lot was unbolted and the fencing pulled back. The car then was pushed into the garage where the painters store their equipment and was pushed up a make-shift ramp made of lumber on concrete blocks to allow the motor to be unbolted and removed from below.

The heavy motor was believed carried more than 100 feet from the garage to the opening in the fence where it was believed placed in the trunk of a car.

Police said the hood of the same car had been stolen previously while it was impounded. The car belongs to Ronald Triplett, St. Louis.

Nurse workshop set for Oct. 28

The Continuing Education Program of the School of Nursing at Southern Illinois University at Edwardsville will hold a workshop in the officers' club at Scott Air Force Base Oct. 28 from 8 a.m. until 3 p.m. An overview of the nursing process will be the subject of the workshop.

Sister Marta Goski, assistant dean of the undergraduate program in the SIUE School of Nursing, will be the instructor. Participants in the program will receive five continuing education hours.

Registration for the workshop is \$5. Deadline for registration is Oct. 21.

The same workshop will be held at the Carbondale campus of SIUE Nov. 13 for those unable to attend the meeting at Scott Air Force Base.

Additional information may be obtained by contacting the School of Nursing at SIUE.

Insurance award to D. E. Campbell

Dale Eugene Campbell, district manager in Granite City for the Franklin Life Insurance Co. has been named to membership in the company's Top Hat Club.

Campbell's qualification for the honor was based on outstanding personal sales for the month which provided his clients with more than \$100,000 in permanent life insurance protection. Presentation of the "Top Hat" award will be made by Franklin President George E. Halmaker.

The 91-year-old Franklin Life Insurance Co. with yearly sales exceeding \$1.5 billion, is the world's largest company of its kind devoted exclusively to individual money management, company officials said.

BOB MCKEE

Couple to speak at gospel meeting

Bob and Ruth McKee from St. Louis will be guest speakers at a meeting of the Greater Alton Chapter of Full Gospel Business Men's Fellowship, Inc., at 7 p.m. Saturday.
Both women and men are invited to attend the meeting at the Steelworkers Abel Hall, 2821 E. Broadway, Alton.
The guest speakers have an Episcopalian background and have traveled extensively throughout the United States. Co-authors of a book, entitled "Seven Times Around," they are now active with several Bible study groups in St. Louis and area young people.
Mrs. McKee currently is the president of Greater St. Louis Women's Aglow Fellowship.

Rebecca Ross marks birthday at party

Rebecca Katherine Ross, daughter of Mr. and Mrs. Larry Gene Ross, celebrated her first birthday this week at a party given by her uncle and aunt, Mr. and Mrs. William L. Black Jr., at their home, 709C Meadowlane Drive.
A Raggedy Ann and Andy theme was used in the table decorations.
The hosts served refreshments to Mr. and Mrs. Gene Ross, the paternal grandparents; Mr. and Mrs. Joe Steffanoff and children, Jeanine and Butch; Mr. and Mrs. Ray Hunter, Mr. and Mrs. Tom Morris, Mr. and Mrs. Bill Dickinson, Tiffany Papp, William L. Black III, Misty Roxane Black, Miss Lee Solomon of Vicksburg, Miss, the honoree's aunt, and her father, Larry Gene Ross.
The honoree's mother, Mrs. Sue Ross, and infant sister, Katherine Anne, were unable to attend the party as both were still confined at St. Elizabeth Hospital, where the newest member of the Ross family was born on Oct. 10.

Janice Wallace is party honoree

Miss Janice Wallace was complimented with a party in honor of her 15th birthday given by her parents, Mr. and Mrs. Lowell Wallace, in their home, 1641 Venice Ave.
Guests attending included Brenda and Bill Soden, Sherry Denton, Laurie Walker, Doug and Sharon Whitworth, Tonya and Keith Shuppert, Dennis Wallace, Howie Bryant, Debbie Daigger, Ernie Morris, Rick Taylor, Kimo Morrison, Terry Keeton, Scott Panning and Mr. and Mrs. Carl Wallace and children Pam and Reggie.

ANNOUNCE BIRTH OF THIRD DAUGHTER

Mr. and Mrs. Michael L. Hoy, 1917 S. Courland, Kokomo, Ind., former residents, have selected the name Elizabeth Anna for their third daughter, born on Sept. 21.
The infant weighed seven pounds, 14 1/2 ounces and was born at St. Joseph Memorial Hospital in Kokomo. She has two older sisters, Jennifer Ellen and Rebecca Jane.
A son of Mr. and Mrs. Clarence Hoy, 2309 Lynch Ave., the father is employed as a methods engineer with Delco Electronics in Kokomo.
The maternal grandparents are Mr. and Mrs. Edward Slettemore, 2932 Dale Ave. Great-grandparents include Mrs. Myrtle Boly and Hyet Slettemore, both of St. Louis, and Mrs. May Urban of Milwaukee, Wis.

BURGLAR WAKES WOMAN
Edith Baugh, 2159A Benton St., told police Monday she awoke upon hearing the front door slam and noticed a new portable television set had been stolen from the front room where she had been sleeping. She said she believed she may have left the front door unlocked.

LIST WITH COCHRANE-WOLF

Venice seeks grant for bridge approach repairs

Final application forms for a \$200,000 federal grant from the Economic Development Administration (EDA) were sent to the Chicago office of the EDA Tuesday. It was reported at the Venice City Council meeting Tuesday evening.

The application is a joint venture with the City of

Madison, and if approved will be shared on a per capita basis with Venice receiving \$80,000 to be used for repairs on the southeast approach to the McKinley Bridge.

Thomas Fields, administrative assistant to Mayor William Ebersold said, "I

talked with representatives of Hardisty and Hanover, New York consulting bridge engineers, and they told me they would get all of the paper work for the grant in the mail today."

A former East St. Louis resident, who now lives in Venice, asked why the council did not approve his application to open a shoe shine parlor in the 100 block of Weaver Street, and why the police shut him down.

Mayor Ebersold said, "First, I ordered the police to shut you down as you cannot operate a business without a license. The council did not approve your license as there have been several complaints from citizens about pool tables, pin ball machines among other things operating there. You can of course make out another

application and present it to the council."

A report on the Broadway relocation and underpass project stated that the project is 50 per cent completed, with 80 per cent (187) of the 210 working days already used. The contractor apparently is speeding up during the past few weeks, but engineers believe he is too far behind to finish the job on schedule.

Venice council members went on record approving the proposed site location of Interstate 255 which will serve as a north south traffic corridor from Columbia, Ill., to Collinsville. Cost of the highway is 197.5 million, according to a 1974 estimate.

Main Street residents reported that the truck speeding problem has lessened, although the noise around the "piggy-back" yard of the Illinois Central Gulf Railroad within the 600 block of Main Street, but the lot has not been oiled and a dust problem still exists.

Mayor Ebersold told the residents he would contact the railroad again about oiling the lot.

GRANITE CITYANS REHEARSE. Nine students from Granite City who are members of the Concert Choral at SIUE are shown rehearsing for today's campus concert with guest conductor Gregg Smith of the Gregg Smith Singers. The Choral, under the direction of Leonard Van Camp, is beginning its 11th season, which he hopes can end with a Bicentennial tour of the East Coast by 40 members of the 65-member ensemble. The Choral will present a Dec. 7 Christmas

concert with two other SIUE choral organizations and the university orchestra, a Feb. 1 concert with the symphonic band and a spring concert April 28. In addition, the group sings for area conventions and at high schools in the St. Louis metropolitan area. The students are (from left), front row: Taira Hogan, Melanie Asadorian, Robin J. Nunn and Cindy Johnson; second row, Cathy A. Butler, Nick Popilchak, Bill Patterson, Brian Chastain and Tom Wilkerson.

MRS. MINNIE SIGITE who received a statewide award as Outstanding Juvenile Probation Officer of the Year at the annual meeting of the Illinois Probation and Court Services Association in Rockford, Ill. She and her husband, John Sigite, reside in Granite City.

Mrs. Sigite honored

Mrs. Minnie Sigite, a lifelong resident of Granite City, was honored as Outstanding Juvenile Probation Officer of the Year, an annual award given on a statewide level, at the annual meeting of the Illinois Probation and Court Services Association in Rockford, Ill.

A veteran of 26 years of service with Madison County Probation and Court Services Department, Mrs. Sigite has long been the department's specialist in adoption investigations, finding foster homes and doing the investigations for the Family Court in custody disputes, as well as carrying a caseload of juvenile and adult probationers.

In addition to her charter membership in the IPCSA, she is the downstate membership chairman for the Illinois

Probation, Parole and Corrections Association. Locally, Mrs. Sigite has been attending monthly meetings of agencies in the Quad-Cities concerned with youth, thereby increasing the much-needed communication between her department, police, schools, youth service bureaus and other agencies involved with serving her community and especially the youth.

Mrs. Sigite and her husband, John, are members of the Namecki United Presbyterian Church where they at one time served as "skippers" in the Mariner's Club of the church. She also is an active member of the Garden Study Club.

Upon receiving the award, Mrs. Sigite told the group at a conference, "You've just made 26 years worthwhile."

The award to Mrs. Sigite by the IPCSA is an honor for Mrs. Sigite and the Probation Department, according to Thurl Jones, acting director of Court Services.

Shower honors Joanne Albers

A rainbow of colors in green, yellow, blue and apricot hues arranged with bouquets of lily of the valley decorated the tables in Niederrhaus United Methodist Church hall for the pre-wedding shower of Miss Joanne Albers.

The hostess will marry Robert Earthal of Collinsville, Friday evening at the church.

Hosting the event was the bridesmaids, Mrs. Janice Carmody, Mrs. Barbara Merz, Miss Diane Gaines, Miss Jo Ann Becherer and aunt of the bride-to-be, Mrs. Judy Werthe, Mrs. Jane Gitchoff and Mrs. Jackie Brown.

After the gifts were opened games were played and prizes awarded to the winners.

Luncheon was served to Misses Jayne Brown, Carolyn Votaw, Beth Bodman, Judy Vandaveer, Kathy Lenz, Mary Key, Patty Bull, Jill Werthe, Alene Dieu, Jan Thrasher.

Madames Joyce Albers, mother of the bride-to-be, Joyce May, the prospective groom's mother, Juanita Brown and Lethia Gitchoff, grandmothers of the bride-to-be and her great-grandmother, Tura Grove, and Anna Earthal, grandmother of the groom-elect.

AUCTION ATTRACTION. This pedigreed German short-haired pointer will be made available to bidders at Saturday night's Optimist-Rotary Camelot auction. The American Kennel Club registered puppy is suitable for training as either a hunting dog or house pet. She is six weeks old.

Optimist-Rotary auction Saturday

All signs indicate that this year's Camelot auction, jointly sponsored by the Granite City Rotary and Optimist clubs, will again be a sellout. John McDonald of the Optimist Club reports.

The event is scheduled Saturday at Sunset Hills Country Club beginning at 6 p.m., with a buffet dinner to be followed by the auction. It will feature the sale of an item a minute for 120 minutes.

The items sell for anywhere between \$5 and several hundred dollars, with the funds earned being used to support local community projects during the year.

Some of the items to be auctioned include weekend trips to Tan-Tar-A, Lodge of the Four Seasons and French Lick, Inc., two airplane rides over the Gateway Arch; and a hot air balloon ride, two original European oil paintings, a year's supply of Pepsi-Cola, a fire log from Illinois Power Co., tires, auto batteries, an electric lawnmower, television sets, radios, mixers and several antiques.

Sailing course to be started

The General Studies and Community Services Division of Belleville Area College, and the U.S. Coast Guard Auxiliary are co-sponsoring a self-betterment course on basic sailing and seamanship. The classes are free and open to the general public (all ages).

There will be seven lesson sessions on Wednesday evenings, taught by qualified instructors who are members of the Coast Guard Auxiliary. Those interested in sailing—boat owners, previous boat owners, potential boat owners, or just interested persons—may report to Althoff Catholic High School, 5401 W. Main St., Belleville, Room 105, Wednesday, Oct. 22, at 7:30 p.m. For further information, they may call Belleville Area College, 235-2700, Ext. 201.

District cross-country run is slated Saturday

The Dukes of Elmhurst (York) will be out to regain the throne they lost last fall at Peoria's three-mile cross-country course to Chicago Heights (Ill.) during the Illinois High School Association boys' state finals.

But, GCHS North and GCHS South will also be gunning for state honors, beginning with a district-level meet Saturday at Edwardsville, starting at 11 a.m.

Competing also at Edwardsville will be: Edwardsville, Alton, Bethalto, Bunker Hill, Carlinville, Collinsville, East St. Louis Senior and Lincoln, Gillespie, Greenfield, Highland, St. Paul of Highland, Jerseyville, Piasa (Southwestern), Roxana, Triad, Staunton and Wood River.

The top five placing teams and the top 10 individual runners from the district advance to sectional competition Saturday, Oct. 25, at Springfield Southeast.

The Warriors of GCHS South will attempt Saturday to qualify for their third consecutive advance into sectional competition.

Last year, led by since graduated Dwayne Terry, South placed fifth in a district meet at Alton, but failed to get past the sectional as a team.

Terry advanced individually to state competition, where he placed 93rd with a time of 15 minutes and 22 seconds on the three-mile state course.

Four Warrior harriers saw district and sectional action last year — Frank Holmes, Glen Ahlers, Russ Presswood and Ken Meagher.

Holmes turned in a time of 16:36 on the three-mile course at Edwardsville during GCHS South's third-place finish in an invitational meet there.

Competing along with the four Warrior returnees Saturday will be: Randy Presswood, Don Meagher, Mike Cothern, Lynn Decker, Frank Sturgill, and

James Dumont. Heading GCHS North's effort Saturday will be sophomore Mike Baker, who last year earned his way into sectional competition as an individual runner by placing among the top 10 at the district level. As a team last year, North High placed sixth in district competition.

Baker capped a winning dual-meet regular season of 10 first-place finishes by topping runners from 20 other high schools during the weekend in the Waterloo invitational on a 2.7-mile course with a time of 14:35.

His winning pace, combined with the fifth-place finish of Dave Putsch, 11th place by Dave Ebrecht, 18th place by Don Lucy, 19th place by John Bracamontes, 24th place by Greg Stout and 47th place by Robin Tugel, gave North High top team honors with 54 points.

East St. Louis was second with 93 and Highland third with 114.

Baker's best time thus far on a three-mile course was 15:05 at Jacksonville, good enough for first place.

He has finished first three times on a three-mile course,

Home looted

Mrs. Erma Eddy, 2325 Delmar Ave., told police early this week that two men her children knew entered her home while only the children were there, and ordered them to go into the basement and watch television.

The children told her after they were in the basement, the two men refused to let them out. The men left and Mrs. Eddy said she returned home to find numerous items had been stolen from the home, including a \$90 tape player, a television, a clock-radio, two cameras, a high school ring, a projector and a calculator.

including Edwardsville, and at Sparta where he set a new course record of 15:09.

North High's first-place finish at Waterloo was the school's third victory at that distance this season, the other wins being at Sparta and Jacksonville.

Both schools scored in the second period. Prather on a 12-year run by Stoen and Coolidge on a 75-yard kickoff return by Jeff Bergrader.

In the final period, a triple-reverse pass play of 50 yards to Stoen gave Coolidge an 18-12 margin. But Prather marched back downfield and executed the winning pass and conversion.

Prather eleven edges Coolidge in final quarter

A 40-yard fourth-quarter touchdown pass from Mark Jones to Bob Baley and a two-point conversion run by Mike Stoen Wednesday provided the winning margin in Prather Junior High School's 20-18 football victory over Coolidge, at the Coolidge field.

Coolidge Quarterback Blake Ambuehl scored in the first period on a run, and Prather's Mark Jones tied the contest at 6-6 with a two-yard dash late in the first quarter.

WALK-A-THON TO AID SHRINERS' HOSPITAL

"Want to take a walk so that a child who can't walk now may be able to in the future?" asks Sue Smith, an SIUE coord.

Miss Smith, co-organizer of a walk-a-thon scheduled for Saturday and a member of the sponsoring SIUE sorority, Gamma Sigma Sigma, reports that 50 persons have signed up to walk from Edwardsville's VFW Hall to downtown Lebanon, a distance of 23 miles.

The walk will start at 9:30 a.m. All proceeds will go to benefit the Shriners' Hospital for Crippled Children.

Cyclist hurt in collision with train

Al Meehan, 44, Collinsville, was in serious condition today in the intensive care unit of Firms Desloge Hospital, St. Louis, the result of an accident at 11:25 p.m. Tuesday in which his motorcycle struck a moving train.

The accident occurred on the Illinois Terminal Railroad crossing at Route 111 just south of State Aid Route 35. Meehan said the crossing warning lights resembled the red stop lights at the intersection and he was not aware a train was approaching the crossing.

He said when he saw the train, he dropped the motorcycle on its side, but he and the motorcycle slid into the second engine.

He suffered injuries to his right hip and right leg and was taken by ambulance to St. Elizabeth. A series of x-rays was taken here and he was transferred to the St. Louis hospital.

News notes

Watergate prosecutors' final report urges a new Justice Department section to prosecute campaign and governmental corruption. It also favors expanded Federal Election Commission authority to enforce campaign ethics.

Because of concern over government bodies' fiscal soundness, attributed to New York City's near-default, a lone bid to buy bonds for a new Bethalto high school was withdrawn by the bidders Tuesday. A bid opening for a \$1½ million issue had been scheduled for that night.

The Silver Bell Senior Citizens group, sponsored by Madison County Economic Opportunity Commission, will conduct a tea and fashion show, Nov. 9 from 4 p.m. until 6 p.m. at the Venice Recreation Center, 305 Broadway, Venice. The program will feature members of the group modeling their own creations. Tickets are

available at \$1 from any member of the group or by contacting Mrs. Dorothy Buford, 451-7024, or Marion Guest, 876-5284.

Area school board members and administrators will gather at the Lewis and Clark Community College, Godfrey, on Tuesday, Oct. 21, to take part in a semi-annual dinner meeting of the Southwestern Division of the Illinois Association of School Boards.

The Madison County treasurer has not billed taxing bodies for their share of the cost of extending and collecting property taxes, testimony showed at a hearing Tuesday on a suit filed to block charges against such agencies. The suit is intended to test legality of a county law imposing collection costs on recipients.

Latest changes in the Illinois unemployment compensation and workmen's compensation laws will be subject of a special day-long workshop Friday at Augustine's Restaurant, Belleville. The workshop,

sponsored by the Illinois State Chamber of Commerce in cooperation with the Belleville Area Chamber of Commerce, will run from 8:30 a.m. until 4:30 p.m.

Thomas B. Curtis, chairman of the Federal Election Commission, will address a Sunday afternoon session, Oct. 19, of the Churchmen's Federation of the United South Conference of the United Church of Christ, at St. Paul United Church of Christ, Waterloo. The afternoon session will open at 3, and the public is invited to hear his address on "The Good Citizen." The evening dinner session at 5:30 will be addressed by John Aule of KMOX and KMOX-TV. The Kaskaskia Trail Chorus will entertain.

There will be an open meeting of Common Cause for the 23rd Illinois Congressional District Tuesday, Oct. 21, at 6:45 p.m. in the Lovejoy Library Auditorium of Southern Illinois University at Edwardsville. Lee Norrgard, executive director of Common Cause-Illinois, will be the speaker and a film of Common Cause activities will be

shown. For further information, Quad-Cityans may contact Dr. R. F. Erickson, telephone 344-1261 or 692-3882.

State Comptroller George W. Lindberg yesterday dismissed as a "grandstand proposal" Gov. Daniel Walker's "cash management" plan to ease the state's revenue availability problem. He charged that the governor's meeting with other state officials Tuesday was an attempt to spread the blame for "fiscal mismanagement" rather than to others. In another development, Lindberg said he will seek election next year to the Illinois Supreme Court.

Gov. Walker yesterday named James L. Young, 54, Springfield, an Environmental Protection administrator, to a \$30,000-a-year position on the Illinois Pollution Control Board.

A consistent critic of the proposed Waterloo airport, Cong. Gene Taylor of Missouri, said Wednesday he thinks such an airport would cost \$2 billion, including \$500 million for highways.

No leaf burning in streets urged

Madison residents who burn leaves this fall were requested by Mayor Mike Sasyk today to do the burning in the yard and not on the curbs or in the streets.

Burning leaves in the street will damage the asphalt surface, he said. Many of Madison's streets were resurfaced this year. It is permissible to burn leaves, but not to damage our street surfaces," the mayor said.

Thief nets candy from parked van

Forty-five sacks of assorted candy, valued at \$80, plus other items were stolen from a van owned by Jewel Home Shoppers Service, parked at Yates Motel Station, Pontoon and Namekinds roads, it was reported at 7:40 a.m. Tuesday.

Entry into the vehicle was gained by breaking a window in a rear door with a brick. In addition to the candy also stolen were 10 boxes of pastry twists, valued at \$25; a crocheted afghan, worth \$38; a doll high chair and crib, \$25; and a doll set, \$18.

Child recuperating

Christopher Ray, 3, of 2816 National Ave., was expected to return home today from Cardinal Glennon Hospital, St. Louis, where the child has been since being struck by a car in the 2500 block of Iowa Street at 5:30 p.m. Tuesday.

He suffered abrasions to his forehead, upper back, right shoulder and right arm. A spinal injury was feared, but tests showed no damage.

Joy Singers appear

The Joy Singers from First Baptist Church will present a concert of religious music at 7:30 p.m. Sunday. The group consists of 15 youth. A reception will follow the program.

\$2,000 BURGLARY

Items valued at more than \$2,000 were stolen from the home of Ross Schnauserberger, 9 Paul Drive, Nitchell, he reported yesterday. A sliding glass door was forced open. Taken were a stereo, two speakers, a turntable, two television sets, a clock radio, a camera and zoom lens, a lamp and some cash. There have been numerous burglaries and auto thefts in that area recently, officials noted.

TREATED FOR SHOCK

Ken Lynch, 39, Edwardsville was treated and released at St. Elizabeth Hospital at 6 p.m. Tuesday after suffering an electrical shock while on the job at Granite City Steel. Lynch was testing a disconnect switch when the shock occurred.

ROUTE 162 BURGLARY

A television, a radio, a stereo, a tape recorder, a clock and an electric frying pan were stolen during a burglary at the home of Richard Bauer, Box 86, Route 162, Granite City, between 4 a.m. and 4 p.m. yesterday, the victim reported. The front door was kicked open to gain entry.

New student housing facilities at Tower Lake, on the campus of Southern Illinois University at Edwardsville, will be formally dedicated Friday in ceremonies beginning at 2 p.m. President John S. Randleman will be the keynote for the occasion, which will feature entertainment by The Old Guys Jazz Band, refreshments, and an open house at a display apartment in the new complex. Father James Shortal, a campus minister, also will participate in the program.

For the fifth consecutive quarter since fall 1974, SIUE student enrollment has risen, according to final enrollment figures released Wednesday. Enrollment for the fall quarter is 12,212, representing 37 states and 31 foreign countries. This is a 7.2 per cent increase over the enrollment of 11,387 at this time last year.

The annual John F. Kennedy memorial dinner dance sponsored by the Madison County Economic Central Committee will be held at the SIUE Meridian Hall Sunday evening. New auto sales in Oct. 1-30 totaled 243,642, up 13 per cent from the 216,110 total of a year ago.

East St. Louisans critical of Gov. Walker's veto of a state funding bill for that community plan to demonstrate Wednesday at Springfield and also ask returning legislators to override the veto. The bill included a \$1,900,000 industrial park.

The \$2 bill, not issued since 1966, will be produced in quantities of 400 million annually.

Tuition income will be used to pay several thousand University of Illinois employees next Wednesday because of the state financial shortage.

\$400 fire damage

Fire, believed caused by placing a plastic bowl in an oven, caused about \$400 damage at the home of Thomas Hewlett, 2120 Cottage Ave., at noon Monday. Firemen were on the scene 20 minutes.

Firemen also extinguished a fire Monday which demolished the \$3,000 auto of Mike Adams, 90 Holiday Shores Mobile Home Park, at 10:30 p.m. at 22nd Street and Grand Avenue. The fire started in the engine compartment after Adams' car and another car were in an accident. Firemen were on the scene 40 minutes.

Break into school

Officials at Russell D. Johnson Elementary School, 4225 Old Alton Road, discovered this week that someone forced open a window to the nurse's office and gained entry.

A filing cabinet in front of the nurse's window had been pushed over to gain entry. Police found a piece of wood had been placed in a rear door that would not close. The door had to be opened from the inside. School officials said nothing was believed stolen or disturbed, but were to conduct an inventory this week.

Cooperation is pledged to keep school funds flowing

State Education Superintendent Joseph M. Cronin on Tuesday told district and county school officials that his office will cooperate with Governor Dan Walker and Comptroller George Lindberg in efforts to manage the state cash flow "to provide local school funds on time."

Each month, the state government sends almost \$100 million to public schools to help finance education, a state-mandated function. The state also reimburses schools for special education programs over and above general aid to schools.

Dr. Cronin explained that "one reason for low state treasury balances is the prompt

payment of special education claims as required by the statute," which specifies "on or before Sept. 30."

Since 1969, when the General Assembly mandated programs for handicapped children, the growth has been so rapid that most of the claims were not sent to the comptroller for payment until late winter or spring, he said.

"A business firm is rewarded for paying bills on time. You get discounts for paying within 30 days."

"By using the computer and other management tools efficiently and obeying the law, our office became part of the state government cash crisis. We will work closely with other

Passenger hurt in 3-car crash

A three-car accident at 9:10 a.m. Tuesday at Madison and Niedringhaus avenues, involved vehicles operated by Ronald Rojas, 2488 Kilarney Ave.; Eldon F. Geske, 3012 Edgewood Ave.; and Sarah L. Carden, Rural Route One, Box 1300. All were southbound.

Mrs. Betty Rojas, 35, of the Kilarney address, a passenger, sustained a minor injury, the police report stated.

state officials to develop appropriate solutions," Dr. Cronin added.

He also noted that a drop in sales and income tax revenues compared to earlier predictions made the treasury balance dangerously low on several days last month.

Two injured

Two persons were injured when a tractor-trailer, driven by William W. Murphy Jr., Center Point, Iowa, and a car, driven by Michael Fuller, 25, East St. Louis, collided on Route 203 in front of the Gateway Truck Stop about one mile north of Interstate 70.

Fuller and a passenger in his car, Dora Green, 16, East St. Louis, were injured and were taken to St. Mary's Hospital, East St. Louis.

Police were told Fuller's northbound auto was passing a slow car in the intersection when the truck pulled out from the truck stop into the highway and the truck driver was unable to see the oncoming car.

Pioneer air, ground attacks join in 26-0 win at Madison

Madison High School's Trojans felt the brunt of Assumption's balanced air and ground attack yesterday, losing to the Trojans, here at the Trojan field 26-0.

Quarterback Mike Harrison mixed Assumption's offensive machine with touchdown aeriels to Early McKinney and Pat Delaney, and TD's on the ground, Eric Wright and Oscar Jackson carrying the ball into Madison's end zone. Pioneer Ted Cox dashed in for a two-point conversion.

Earning its first victory of the season in four outings, Assumption amassed 210 yards rushing and 15 first downs, while Harrison added 180 yards in the air on six completions in 17 attempts.

Wright rushed for 83 yards on nine carries, and Jackson ground out 52 yards on nine carries. Receiver McKinney

caught four aeriels for 110 yards.

Trojan Quarterback Mike Woods hit three aeriels in 11 attempts for 57 yards. On the ground, the Trojans garnered 159 yards, MHS chalked up six first downs.

Dwight Chillers led Madison's ground game with 43 yards on nine carries, and Dalred Haynes was the recipient of two Woods passes for 42 yards.

Madison made 64 tackles to Assumption's 49, and the MHS defense also provided a TD-saving pass interception.

Trojan Pete Fecurka took the game-opening kickoff at his own 30-yard-line and ran it to the 42. A fumble on an ensuing play gave Assumption possession on the Pioneer 49.

Madison's defense held the Trojans on downs, forcing a punt which gave Madison the ball at Assumption's 43 on a block by Chillers.

Failing to move on downs, Madison had Chris Horton boot the pigskin. He kicked it 62 yards into the end zone for a touchback and the Trojans took over on their 20.

Harrison quickly moved his team down to Madison's 22 with two running plays and a 43-yard pass to McKinney.

An aerial to Delaney in the end zone was picked off by Madison's Mike Terrell, who got back to the one-yard-line as the quarter ended.

Moving to its 22 before failing to get a first down, MHS kicked high and short, giving Assumption the ball on the Trojan 44.

With 11:31 left in the second 12-minute quarter, a handoff to Wright resulted in a 44-yard TD run. An extra-point attempt was blocked by Horton, leaving the score at 6-0.

The remainder of the first half became a defensive battle between the two schools, each unable to move the ball for a score.

Opening the second-half action, Assumption received

Madison's kick at the Pioneer 28. Harrison led a march into Trojan territory, three running plays reaching the 33 before he released a TD bomb to Delaney. The extra-point kick attempt failed and the score stood at 12-0.

Near the end of the third period, Madison was forced into a fourth-down punting situation from its 25. Pioneer Chris Crites blocked the ball, setting up a TD drive from the 10.

On the second play from scrimmage, Jackson darted eight yards to paydirt and Ted Cox added two points with a conversion run, making it 20-0.

Assumption's final TD came with 5:21 left in the fourth period after the Trojans got possession on Madison's 30 upon sacking Woods behind the line while he was attempting a fourth-down pass.

Harrison quickly hit McKinney with a 33-yard pass, and then threw the ball to McKinney again for the TD. A two-point conversion aerial failed.

After taking the following kickoff at Madison's 44, the Trojans moved to Assumption's 31 in two plays on a scramble by Woods and a run by Chillers.

Madison's threat to drive further downfield ended with a fumble recovery by Assumption at the line of scrimmage.

With time rapidly running out, Harrison threw a 47-yard pass to Ted Cox, putting the ball at the Madison 22. The Trojans reached the 10-yard-line as time expired.

Tigers setting conference pace

Three Southwestern Conference football games are on tap this weekend with conference leader Edwardsville playing at Collinsville tomorrow, Cahokia playing at Belleville East tomorrow, and East St. Louis playing at Belleville West on Saturday.

GCHS South was a member through the 1974-75 school year. Conference records of participating schools are:

Edwardsville 3-0, Belleville West 3-1, Collinsville 2-1, Alton 2-2, Belleville East 1-2, East St. Louis 1-3 and Cahokia 0-3.

Three high schools in this region remain undefeated in six outings—Edwardsville, Mascoutah and East St. Louis Lincoln.

Belleville West and GCHS North each has a 5-1 record, and Belleville East, Roxana and Bethalto are all 4-2.

West golfers win

GCHS South golfers bowed 154-177 Wednesday to Belleville West on the front nine holes, par 35, at the Clinton Hills Golf Course. Maroon Butch Lewis was medalist with a 38.

Scoring for South High were: Al Collins with a 42, Kevin Woster 43, Jim Cedar 45 and Ben Brown 47.

CANCEL GAME, MEETS

Three sports events involving GCHS North were cancelled this week for various reasons: Tuesday—cross-country at Roxana, conflict of schedule; Wednesday—Glenwood soccer game here, cancellation by Glenwood of its season schedule; and Cahokia girls' tennis here, Cahokia teachers strike.

\$5,000 from the company and \$3,562 from the employees.

Campaign Chairman David Fox presided at the luncheon at the Granite City Army Installation.

Division chairmen making reports were: Industrial, Al P. Steinhilber, \$70,497; Business, Allen L. Jesse, \$17,885; Civic, Lionel Portell, \$8,316; Professional, Maurice Daley (co-chairman along with Ted Ellerman), \$4,905; Commercial Division II, Donald Van Horn, \$4,485; Commercial I, Robert Jackson, \$4,005; and Combined Federal Campaign, Mrs. Sally Herbst, \$1,693.

United Way Executive Director S. T. "Pete" Nasir reported for Construction Chairman Henry Ross, \$6,724; Madison-Venice Chairman Wayne Scannell, \$3,505; and Mail-Phone Chairman Mrs. Evelyn Alford, \$3,074.

Dale Campbell was praised for obtaining \$2,500 for the Business Division, and that division's leader, Alan Jesse, was singled out as heading the pace-setting division so far.

While reduced industrial employment is a factor in slowing progress of the drive, the principal reason for the campaign being \$25,000 behind the progress at the same point in 1974 appears to be lack of initial contacts, Fox noted.

Of 1,271 accounts, over 900 remain to be contacted, reports indicated.

It is encouraging that so many people have recognized the extra need this fall and have substantially increased the level of their United Way giving," drive leaders concluded.

The next report meeting will be held Oct. 22.

Pontoon man to observe 100th birthday Sunday

By VALERIE EVENDEN
Press-Record Staff Writer

Benjamin Perry Williams still likes to cook and converse cooking one of his favorite hobbies. He also washes the dishes and cleans up the kitchen afterward.

Until this spring he planted and maintained his own garden every year, growing a variety of produce.

His health is very good, although his feet and legs aren't quite as sturdy as they used to be. But he likes to visit neighbors and talk about the "old"

days with friends who come calling at his home at 3828 B Street in Pontoon Beach.

Benjamin Perry Williams was born Oct. 19, 1875, in Oregon County, Mo. He will celebrate his 100th birthday Sunday.

On Saturday evening at 6:30, Mr. Williams' family and friends will gather at St. John United Church of Christ, 2901 Namecki Road, to suitably observe the auspicious occasion with a birthday party.

He still likes to make breakfast, wash the dishes and take the dog around the yard for a walk. He doesn't go grocery shopping too often anymore, as he's "not about to push one of those baby buggy things around."

Mr. Williams reads his Bible and the daily devotional messages published by St. John United Church of Christ.

He doesn't care too much for television, but will watch if something special is showing, such as the Oral Roberts hour or a Billy Graham crusade. He's also been known to watch the game shows telecast during the morning hours.

Once a day he drinks a milkshake concoction, consisting of two raw eggs, milk, a little sugar and a dash of vanilla, which enables him to consume about a gallon of milk a week. He's not much for drinking liquids of any type so the milkshake, along with coffee at mealtime, is good for his fluid intake and his overall diet.

Between 8:30 and 8:45 each evening he enjoys a dish of ice cream and is usually joined by his dog who looks forward to the nightly ritual equally as much.

Every Feb. 14, until this year, Mr. Williams set out his lettuce plants and they thrived better than in most back yard gardens in the area. He also grew quantities of cabbage, peppers, okra, tomatoes, onions and other garden produce.

He has always cut the grass himself but had to stop doing so this summer.

His maternal grandmother, Martha Jane Taylor Bolton, came to America from England on a sailboat and it took her six months to get here. His maternal grandfather, Charles Bolton, came from Scotland.

Mr. Williams' paternal grandfather, Gilbert Wright Williams, emigrated here from Ireland and married Sally Simpson Williams from Tennessee.

His own parents were the late Mr. and Mrs. Samuel Thomas Williams.

Mr. Williams was married to Nancy Cora Bell Brown on Feb. 10, 1891. She died June 7, 1937 in Madison.

While still living in Missouri, Mr. Williams worked on a farm and as a section foreman building bridges. He also worked for the railroad.

He moved to Madison in March 1929 and was employed for many years as a salesman.

Mr. Williams served as a Sunday school teacher and music director at the North Venice Assembly of God Church. He became an ordained minister in 1923 and served as an evangelist, conducting many revivals.

He pastored two churches, including the Community Heights Assembly of God Church in Granite City.

He has six children. Ralph Williams is a retired barber living in Belleville. Ray Williams retired from Missouri Pacific Railroad and lived in Granite City. Aaron Williams resides at Denham Springs, La., and formerly worked for the U. S. government.

His three daughters are Rachel Tucker of Madison, who is retired after 28 years with R. C. Can Co. of St. Louis; Mrs. Pauline Hux of Granite City and Mrs. Thelma Sparks of St. Louis.

Mr. Williams has 22 grandchildren, 44 great-grandchildren and eight great-great-grandchildren. Many reside in the Quad-City area.

He now lives at the home of Mrs. Bertha Hall. Mr. Williams and Mrs. Hall's father, Louis Thounvener, were great friends until the latter's death 18 years ago.

Mr. Williams' husband, George, died 17 years ago after being hurt in an accident. Before his death, Mr. Williams helped to take care of him and remained at the Hall home afterward.

He's not quite a talkative as he used to be, but just get him started and he goes way back, Mrs. Hall said. His memories from the early days are still sharp and can remember his mother and grandmother using a spinning wheel and other implements, now long gone.

He believes that people aren't quite the same nowadays. Even with so many cars and major highways to lessen travel it seems to him that no one has time to visit nor for many things, as in the past.

Mr. Williams is looking forward to his birthday party on Saturday and expects to see many of his friends and family members.

All will wish him well on the start of his second century of living.

Mr. Williams was married to Nancy Cora Bell Brown on Feb. 10, 1891. She died June 7, 1937 in Madison.

While still living in Missouri, Mr. Williams worked on a farm and as a section foreman building bridges. He also worked for the railroad.

He moved to Madison in March 1929 and was employed for many years as a salesman.

Mr. Williams served as a Sunday school teacher and music director at the North Venice Assembly of God Church. He became an ordained minister in 1923 and served as an evangelist, conducting many revivals.

He pastored two churches, including the Community Heights Assembly of God Church in Granite City.

He has six children. Ralph Williams is a retired barber living in Belleville. Ray Williams retired from Missouri Pacific Railroad and lived in Granite City. Aaron Williams resides at Denham Springs, La., and formerly worked for the U. S. government.

His three daughters are Rachel Tucker of Madison, who is retired after 28 years with R. C. Can Co. of St. Louis; Mrs. Pauline Hux of Granite City and Mrs. Thelma Sparks of St. Louis.

Mr. Williams has 22 grandchildren, 44 great-grandchildren and eight great-great-grandchildren. Many reside in the Quad-City area.

He now lives at the home of Mrs. Bertha Hall. Mr. Williams and Mrs. Hall's father, Louis Thounvener, were great friends until the latter's death 18 years ago.

Mr. Williams' husband, George, died 17 years ago after being hurt in an accident. Before his death, Mr. Williams helped to take care of him and remained at the Hall home afterward.

He's not quite a talkative as he used to be, but just get him started and he goes way back, Mrs. Hall said. His memories from the early days are still sharp and can remember his mother and grandmother using a spinning wheel and other implements, now long gone.

He believes that people aren't quite the same nowadays. Even with so many cars and major highways to lessen travel it seems to him that no one has time to visit nor for many things, as in the past.

Mr. Williams is looking forward to his birthday party on Saturday and expects to see many of his friends and family members.

All will wish him well on the start of his second century of living.

GRANITE CHRYSLER-PLYMOUTH PROUDLY PRESENTS THE CHRYSLERS AND PLYMOUTHS FOR '76!

Cordoba.
The small Chrysler.
So very luxurious, so surprisingly affordable. And every bit a Chrysler.

Chrysler New Yorker.
It's the talk of the town.
Here is a car with elegant styling and comfort. A car backed by a long heritage of Chrysler engineering excellence. All at a New Yorker price.

Feather Duster.
Light on gas. Large on room.
In E.P.A. tests, Feather Duster with optional Overdrive 4 transmission, got 24 mpg in the city and a remarkable 36 mpg on the highway! E.P.A. results are estimates; your actual mileage may differ depending on how and where you drive, the condition of your car and its optional equipment.

Concert dates for
GCHS North band

A schedule of dates for the 1975-76 season of North band concerts was announced by Dan Toden, director, at a meeting of the Granite City High School North Band Parents in the school library. Twenty-three members attended the meeting.

The first concert will be held Tuesday, Dec. 2, in the auditorium at GCHS-South, with remaining concerts to be held in the GCHS-North cafeteria on Monday, Feb. 2; Monday, March 1, and Monday, April 5. Season tickets for the concerts may be purchased from members of the band in the near future.

Favorable comments were made by several parents who accompanied the Steeler Band to the Marching Contest at the University of Illinois at Champaign on Sept. 27. The Uniform Committee was commended on the fine job they have been doing with the uniforms, and approval was given by the members for the purchase of some much needed equipment to help make their job easier.

MARRIED. Dr. and Mrs. Robert J. Brown, who were married on Sept. 13 at St. Elizabeth Catholic Church and are now residing in Staunton, Ill., following a wedding trip to the Caribbean. The bride is the former Barbara Kutosky, a daughter of Mr. and Mrs. Joseph A. Kutosky, 2963 Washington Ave. Mr. and Mrs. Charles Brown, parents of the groom, reside in Butler, Ill.

Karen Wheeler becomes Mrs. Jimmy R. Greene

The wedding of Miss Karen Wheeler, a daughter of Mrs. Dorothy Wheeler, 1703 Delmar Ave., and Jimmy R. Greene, son of Mr. and Mrs. Lester McCoy, 4023 Braden Ave., was solemnized on Sept. 19 at Niedringhaus United Methodist Church.

Officiating at the double ring ceremony at 7 o'clock in the evening was the Rev. Roy Baugh before an altar adorned with bouquets of white fall flowers.

For her wedding, the former Miss Wheeler selected a full-length gown of white organza delicately accented with Venice lace at the high neckline and on the bodice and long bishop sleeves.

The slightly full skirt terminated at the hemline in a ruffled flounce.

She wore a lace petal headpiece embellished with seed pearls to secure a veil of bridal illusion and she held a cascade

bouquet of white daisy pom-poms, intermingled with blue carnations and baby's breath.

Honor attendant Miss Debbie McCoy and the bridesmaids, Miss Kathy Haney, Miss Joyce Sexton and Miss Nancy Heth, wore formal length dresses, in rainbow colors of blue, plum and mint green.

Each carried a colonial bouquet of white pom-poms and blue carnations, festooned with white satin streamers.

The groom chose Billy Manion as his best man.

Groomsmen and ushers included Butch Brooks, George Pike and Don Davidson.

Guests were received immediately following the ceremony at a reception given at The Spot, co-hosted by Mrs. Vi Kenny.

The newly married couple is now residing in Granite City.

Dillard-Morris nuptials at St. Elizabeth Church

Miss Pamela Lynn Morris, a daughter of Mr. and Mrs. Charles E. Morris, 2844 Lynch Ave., became the bride of Bruce Wayne Dillard, a son of Mr. and Mrs. E. S. Hendrickson, 2001 Lindell Blvd., at 7 p.m. Aug. 1 at St. Elizabeth Catholic Church.

The Rt. Rev. Msgr. Lawrence J. Mattingly officiated at the double ring ceremony.

Nuptial selections included "Sunrise, Sunset," "If," "Hawaiian Wedding Song," "Ave Maria," "The Wedding Song" and The Lord's Prayer. Escorted to the altar by her father, the bride chose a long gown of white silk organza designed with a high neckline, edged with scalloped lace, and an oval yoke, traced with Guipure lace and seed pearls.

Lace motifs accented the empire bodice, long tapered sleeves and the circular skirt with its cathedral train. A double tiered veil of bridal illusion held in place with a camelot headpiece, trimmed with seed pearls. She held a bouquet of white roses, blue pom-poms and baby's breath.

Matron of honor Mrs. Mark Coy wore an orchid floral print polyester dress fashioned with puff sleeves, enhanced with Venice lace. The long skirt terminated in a ruffled flounce.

Bridesmaids Mrs. Charles C. Morris, the bride's sister-in-law, Miss Robin Stanton, Miss Sherry Meyer and Miss Teresa Scaturro, all cousins of the bride, selected identical gowns in blue floral print.

Each attendant wore a matching picture hat and carried a basket of blue and white daisies with baby's breath.

A cousin of the bride, Marsha Meyer, and any Lybarger served as flower girls. They were dressed in blue chiffon frocks and held baskets of blue and white blossoms.

David Ax, the bride's cousin, was the ringbearer.

Attending the groom as best man was David Vance. Perry and Dale Dillard, brothers of the groom, Kym MacLaggert, Ron Keeton and Charles C. and Ernest Morris, brothers of the bride, completed the corps of groomsmen and ushers.

Mrs. Morris, mother of the bride, selected a pink chiffon gown, full length, with matching accessories. The groom's mother was attired in a long mint green polyester dress with accessories in the same shade.

Terminated with a cascade of pearls to secure a veil of bridal illusion and she held a cascade

Lisa Morris and Lou Ann Meyer, the bride's sister and cousin, attended the guest book. The rehearsal dinner was hosted by the groom's parents in St. Elizabeth Church basement.

Both young people graduated from Granite City High School. The bride works at International Shoe Co., St. Louis. The groom is employed at American Steel Foundries.

They are residing in Granite City following a wedding trip to Tan-Tar-A Resort in the Missouri Ozarks.

Alpha Xi to host Halloween party

Plans to host a Halloween party at St. John United Church of Christ for area retarded children were discussed at a meeting last week of Alpha Xi Chapter, Epsilon Sigma Alpha Sorority.

Miss Betty Busch, president, called the meeting to order with the opening ritual. Tentative plans were made to sell tickets for a "luncheon is served" party in November.

Arrangements also were made for a progressive dinner following a hobo theme, to be held in November.

Mrs. Pat Lalich reported ordering more McDonald certificates which will be sent to members' children on their birthdays.

Hostess Mrs. Barbara Orris served refreshments to Kathy Dohal, Gerry Mendez, Mary Pirtot, Connie Grunpas, Pat Scherrils, Sue Sansarian, and those named, after the business session.

Brownies tour 'pumpkin patch'

Brownies of Troop 495, sponsored by Sacred Heart School, traveled Monday to Strackelbach's farm in Troy to tour the farm's widely-known "pumpkin patch."

The Halloween field trip was taken under the leadership of Mrs. Maggie Williamson and Mrs. Lee Suarez.

Girls participating were Mickey Williamson, Mickey Nesbit, Mary Narup, Sheila Hauptman, Lena Kalips, Dawn Bowers, Dawn McKinney, Penny Bruner, Patti Mitchell, Carolyn Alexander and Andrea Suarez.

Guests taking part were Toby Suarez, Eddie Williamson and Sean McGovern.

MR. AND MRS. BRUCE DILLARD, who were married in an evening ceremony at St. Elizabeth Catholic Church. The bride is the former Pamela Lynn Morris, a daughter of Mr. and Mrs. Charles E. Morris, 2844 Lynch Ave.

Trio homemakers plan craft day

Mrs. Ruth Brave and Mrs. Irene Kenner presented the first lesson, entitled "Why Did You Buy It?" and Mrs. Bea Rittenhouse gave a health lesson on "Indigestion" at a meeting of the Trio Unit, Madison County. Homemakers Extension Association.

A dessert luncheon was served by Mesdames Villa Ridings, Glenjean Olson and Rosamond Johnson prior to the programs held last week at Hope Lutheran Church.

Mrs. Ellen Ozanich, president, welcomed 30 members and four guests, Kitty Bloodworth, Lucille Etheridge, and by Mrs. Helen Robertson, membership chairman, who said the unit

now has 54 enrolled members. The president announced a craft day at 10 a.m. Nov. 5 at the church, and a district meeting at 7 p.m. Nov. 4 at Goodie Junior High School cafeteria. Those attending the district event are asked to bring an item for the country store exhibit.

Mrs. Vivian Forshee will demonstrate gift wrapping at the session.

Mrs. Joanna Spencer, leader of the 58'ers 4-H Club, spoke to the group on her club's activities and displayed posters made by the girls.

After the business session prizes were awarded to Helen Roessner, Vera Carey and June Lux.

Mrs. Rittenhouse said final plans have been completed for the unit's Christmas party, to be held at 12:30 p.m. Dec. 2 at the Granite City Army Installation. Deadline for reservations is set for Nov. 17.

Gibson-Curless betrothal

The engagement and forthcoming wedding of Alice Curless, 200 E. 25th St., and Wayne Gibson, 2942 Circle Drive, is being announced by their families.

The bride-to-be is a daughter of Mrs. Alberta Ethington of Glen Carbon and the late Richard C. Ethington. She is currently employed as a homemaker by the Illinois Department of Children and Family Services.

Her fiancé is the son of J. W. Gibson of Grandin, Mo. He works at Missouri Boiler and Tank Co., St. Louis.

Wedding plans are incomplete at the present time.

Child development expert to lecture

Frank B. Murray, professor of education and psychology at the University of Delaware and president-elect of the Jean Piaget Society, will give a series of lectures at St. Louis and Illinois teachers' centers Monday and Tuesday, Oct. 20 and 21.

Thomas C. O'Brien, director of the Teachers' Center Project of Southern Illinois University at Edwardsville, reports that "What, If Anything, Does Piagetian Research Say to Teachers?" is the title of the guest sessions to be presented by Prof. Murray on Monday at the Belleville Area Teachers' Center on Tuesday at the River Bluffs Teachers' Center.

The Belleville session is scheduled from 4 p.m. to 6 p.m. at 2000 West Main St. The River Bluffs session will be held at Sunset Hill Holiday Inn from 4 to 6 p.m.

Prof. Murray will be available for informal conversation at 3:30 p.m. before each session. O'Brien said the guest educator will describe the relation of the research of Jean Piaget, a noted expert in child development, to practical classroom concerns.

Cyclist injured on Maryville Road

James B. Stark, 28, of 2440 St. Clair Ave., suffered abrasions to both legs and the left elbow when the motorcycle he was riding and a car operated by Ronald G. Gallus, 2910 Oregon St., collided in the 3100 block of Maryville Road during the weekend.

Stark had a series of x-rays taken at St. Elizabeth Hospital and was released after treatment.

AUTO STOLEN

The theft of a 1970 maroon Buick, parked on Twenty-fourth Street, was reported during the weekend by the owner, Judith Weber, 2401 (rear) Washington Ave.

Lapsed teacher certificates can be reinstated

Reinstatement of lapsed teaching certificates may be done upon payment of all unpaid registration fees, providing that the certificate has been registered in 1955 or later, according to an announcement by Harold E. "Gene" Briggs, superintendent of the Educational Service Region of Madison County.

"This is the result of Governor Daniel Walker recently signing Senate Bill 700 into law," Briggs noted. "The requirement for renewal of lapsed certificates is that within one year (July 1 to June 30) from reinstatement, five semester hours of college credit must be earned in field of professional education or in a field related to the person's teaching field," he explained.

OPEN PLAY AFTER NINE DAILY TRIM BOWL

It looks like a wily move by Pres. Ford. If voters don't get their new tax break, they'll be disposed to blame the "big spenders" in Congress.

Echoes of this came from Illinoisans in the House, two of them on the tax-writing House Ways and Means Committee. Its chairman, Rep. Al Ullman, Oregon Democrat, quickly labeled Ford's proposal a "mirage."

"It's a fantastic proposal," says Rep. Dan Rostenkowski of Chicago, a senior Democrat on the committee. "It's eye-catching, but hard to do. It frightens me a little."

Rep. Philip M. Crane, one of the junior Republicans, laughed at the discomfiture of his Democratic colleagues on the committee.

"I think Ford's causing the Democrats some embarrassment," Crane says. "It

Tax cut debated

By LESTER BELL
Press-Record
Washington Bureau

President Gerald Ford's pledge to support a \$28 billion tax reduction if the Democratically-controlled Congress matches it with a spending cut is basic politics. A minority President has gone on the offensive with a universally understood and appealing issue on the eve of an election year. If the Democratic majority isn't rattled, it is stoic beyond belief.

Proposing "the biggest single tax cut in our history" to benefit both individuals and businesses, Ford last week conditioned it upon a like commitment from Congress to pare \$28 billion in the next fiscal year in federal spending.

He said he'd veto any tax cut Congress enacts if it does not also curtail spending.

It looks like a wily move by Pres. Ford. If voters don't get their new tax break, they'll be disposed to blame the "big spenders" in Congress.

Echoes of this came from Illinoisans in the House, two of them on the tax-writing House Ways and Means Committee. Its chairman, Rep. Al Ullman, Oregon Democrat, quickly labeled Ford's proposal a "mirage."

"It's a fantastic proposal," says Rep. Dan Rostenkowski of Chicago, a senior Democrat on the committee. "It's eye-catching, but hard to do. It frightens me a little."

Rep. Philip M. Crane, one of the junior Republicans, laughed at the discomfiture of his Democratic colleagues on the committee.

"I think Ford's causing the Democrats some embarrassment," Crane says. "It

showed up in Ways and Means this morning. They're in a dither. It's enjoyable."

Rep. Paul Simon, a Downstate Democrat, says he knows for a fact that the White House staff is "concerned" about the first two Presidential primaries.

"They're trying to create an image. It was a political speech directed at the people of New Hampshire and Florida. I don't think it is realistic."

Simon says he's not one to "shout politics" at every Presidential proposal, but he fails to see how a tax cut of this size can be made without creating an additional deficit.

House Minority Whip Robert Michel from Peoria subscribes to the theory that Ford has put the Democrats on the defensive with a "simple and clear" issue they can duck only at their peril.

"Frankly," he says, "it gives us as Republicans an alternative."

Rep. John N. Erlenborn, often a Republican floor leader on legislation, says that since no one objects to tax relief, the President's proposal may be hard for Democrats to field.

"He's trying to put the monkey on the Democrat's back," he says.

Rep. John B. Anderson of Rockford, third-ranking House Republican, calls the Ford proposal a "doable thing" if voters really want it and speak up.

House Majority Leader Thomas P. "Tip" O'Neill Jr., Mass., says he's glad Ford at least agrees with Democrats that a tax cut is needed, but a "flat, uncompromising budget ceiling is unrealistic."

"Is the President talking about cuts in veterans' programs? Or Health? Or school lunch? Or education?" asks O'Neill.

An assortment of guns, a clock radio and stereo were taken by a burglar from the home of Hal Opuchowski, 3327 Johnson Road, reported during the weekend.

Entry was gained by breaking a window on the side door. The rooms were ransacked and items were scattered about. Several items were found in a pile by a rear door, denoting the intruders may have left hurriedly when Opuchowski returned home, police said.

programs? Or Health? Or school lunch? Or education?" asks O'Neill. "We're not going to take \$28 billion out of the hides of the unemployed, the young, the elderly, the ill, the handicapped and the ill-housed," declares House Majority Whip John J. McFall of California.

Harvesting dried flowers explained

Growing and harvesting dried flowers and weeds to create unusual arrangements for the home was the program presented by Walter Wisniewski, fifth grade teacher at Mitchell School, at the PTA's October meeting last week.

Resource teacher Richard Lucido spoke on the topic, "And The Why," explaining in detail the function of the resource room at the school.

Opening the meeting with a flag presentation was Girl Scout Troop 1120, led by Mrs. Carol

McNeely. They performed a skit, entitled "Girl Scouts," written by sixth grade members of the troop, Teresa Hickman, Michelle Bligg and Jeannie Trimmer.

PTA President Mrs. Viva Elliott presided and a vote on the date for the school picnic ended in a tie. The issue will be resolved at the next meeting.

The second grade class of Mrs. Geryl Pointer received an award for room membership and the \$5 PTA prize for recording the largest number of parents present, at the meeting. Each student received a "treat" certificate from Frandy's Danielle in Mitchell as the membership prize.

Plans for the annual Halloween parade to be held at 1 p.m. on Friday, Oct. 31, were discussed.

discussed and the president announced the magazine sales campaign will be conducted by the fifth and sixth grade pupils, starting Oct. 24.

Mrs. Elliott said the school is observing safety awareness this week.

Wiener roast for Brownies

Brownie Troop, 47 of Niedringhaus School were entertained at a wiener roast last week held in the home of the troop leader, Mrs. Kathy Reinacher, and co-hosted by Mrs. Faye Nodine.

Assisting at the fall event were Mr. and Mrs. Ronald Reicher, neighbors of the Reinacher family.

Games were directed by the leaders and prizes were awarded to Michelle Nickonowicz, Sandra Stopkotte, Tracey Proffitt, Anne Puhse and Connie Popmarkoff. Jennifer Griffith and Sandra Stopkotte also received their first year star membership pin.

Other Brownies present were Beth Bodnam, Karen Britz, Kathy Carter, Tina Glosick, Donna Horp, Cindy Kraus, Michelle McAnish, Lori Mills, Monica Nodine, Melissa Pennell, Anne Puhse, Dawn Reinacher and Elizabeth Treator.

Guests included Tony and Tracey Proffitt, Tom Ketter and Christopher Reinacher.

LAWN MOWER STOLEN
A cream-colored lawnmower, valued at \$130, was stolen from a garage at the home of Mrs. Mae Edwards, 2817 Madison Ave., the owner reported last week.

Debra Butler marries Ronald Lee Burckhardt

St. Bartholomew Episcopal Church, 22nd Street and Grand Avenue, was the scene of the wedding Oct. 11 of Miss Debra Sue Butler and Ronald Lee Burckhardt.

Officiating at the double ring ceremony at 7 p.m. was the Rev. Wilbur Lear.

Miss Beth Ann Ledbetter, organist, played wedding selections, "Jesus, Joy of Man's Desiring" by J. S. Bach, "O Perfect Love," "Wedding Prayer" and "Now Thank We All Our God."

Parents of the bride, Mr. and Mrs. Robert G. Butler, reside at 13 W. Wilson Park Drive. The groom is the son of Mr. and Mrs. Donald Burckhardt, Fullerton Lane, Belleville.

Bouquets of white lilies and pink elegance carnations, with touches of purple statice, decorated the altar and church. White bows and greenery were affixed to the aisle candelabras holding burning tapers.

Escorted down the white carpeted aisle by her father, the former Miss Butler appeared in a gown of white organza. The dress designed with a Venice lace empire bodice and high stand up collar. The lace bishop sleeves were trimmed with dainty lace edging and the A-line skirt swept into a chapel length train, edged in Venice lace.

A Juliet cap of lace and seed pearls secured a finger tip veil, bordered in matching Venice lace and she carried a bouquet of stephanotis and pink Sweetheart roses, accented with baby's breath and bridal lace streamers.

Preceding the bride down the aisle were her sister, Priscilla Jo Butler, the maid of honor, and the groom's sister, Donna Burckhardt, bridesmaid. They were dressed in identical white floral print gowns made with V-necked bodices trimmed in wide beige lace. Each carried a bouquet of pink Sweetheart roses, purple statice, pink Elegance carnations and baby's breath, with long purple streamers.

The flower girl, Amy Van Hoevin, was dressed in a long dress of white floral print. She carried a basket of flowers matching the bouquets of the attendants.

Attending the groom as best man was Ronald Schomber. Dave Johnson was the groomsmen. Escorting the guests to their seats were Sid Pinkerton and Tommy Burckhardt, brother of the groom.

Mr. Butler, mother of the bride, selected a formal-length gown of persimmon color, fashioned with an empire bodice worn with gold accessories. The groom's mother was attired in a blue formal-length gown, trimmed with white lace, and matching accessories. Both mothers wore white orchid corsages.

The newlyweds, together with their parents, greeted guests at the buffet reception immediately following the wedding service at the Moose Hall in Granite City. Miss Sharon Burckhardt, another sister of the groom, presided over the guest book. Parents of the groom hosted a dinner at Charlie's Restaurant following the church rehearsal.

The bride graduated from Granite City High School in June 1972 and from Belleville Area Junior College in May 1975. She is a certified medical assistant presently working in the offices of Dr. Heinz Rudolf.

The groom graduated from Belleville High School West in 1969 and is now attending Belleville Area Junior College. He is employed by St. Clair County in Data Processing at Belleville.

Mr. and Mrs. Burckhardt will reside in Belleville.

Epsilon Eta annual yule event Dec. 6

Members of Epsilon Eta chapter met last week to finalize plans for their annual holiday event, "Breakfast With Santa" on Dec. 6 at the Knights of Columbus Hall, 2652 Edison Ave., from 10 a.m. to 12 noon.

Cost of tickets is \$1.50 per person and children must be accompanied by an adult. Entertainment will be provided to include a Christmas carol song fest. A photographer will be present to take pictures of the children with Santa.

Mrs. Jeannette Jensen entertained the group in her home, 3231 Willow Ave. She announced tickets and more information concerning the yule party are available by calling Mrs. Mary Ellen Boyer at 831-5548 or Mrs. Carol Kessler at 876-7620.

The hostess served a dessert course followed by games. Others attending were Mrs. Boyer, Martha Burnett, Carol Kessler, Nancy Sabo, Charlotte Talbot, Miss Rosemarie Kozial and Carol Grove.

Mrs. Lexow reviews book

Mrs. Marguerite Lexow reviewed the book, "The Bermuda Triangle" by Charles Berlitz at a meeting of the Junior Bay View Reading Club in the home of Mrs. Alice Hunsinger, 5 Del Rio Ave.

The Bermuda Triangle remains one of the most perplexing phenomena of nature, an area of the western Atlantic where planes and ships, many within sight of land, seem to pass into another dimension, reported Mrs. Lexow.

Mrs. Marge O'Neill, president, presided at the business session and distributed the club's program booklets.

Each member responded to roll call by discussing her summer activities.

A dessert luncheon was served by the hostess to those named and to Mesdames Ann Little, Sharon Loftus, Peggy Koepfer, Mildred Jungels and a guest Velma Neuman.

Mrs. Koepfer will entertain the members at the November meeting.

Elkettes discuss dinner plan

The Elkettes Auxiliary of Lodge 1063 met last week with Mrs. Kathryn Pomerooy, president, presiding at the monthly business meeting.

Mrs. Catherine Michel gave the opening prayer and committee reports were submitted by various chairmen.

The president announced the results of a recent rummage sale and said another such project will be held in the spring.

She also said a diamond ring will be awarded at the Dec. 2 Christmas party.

Mrs. Helen Schmisser reviewed plans for a spaghetti dinner to be held at the lodge on Nov. 1 and added ticket sales are to be reported to her or Mrs. Kay Taylor no later than Oct. 28.

Mrs. Pomerooy informed the members that changes relating to the by-laws will be discussed at the November meeting.

After the meeting, Mrs. Ruth

Bischof directed games and awarded prizes to Mrs. Michel, Mrs. Pomerooy, Vesta Campbell, Roberta Cottrell, Dorothy Shepherd, Margaret Wilmsig, Helen Todoroff, Karmyn Edmonds, Virginia Johnson and Pat Hancock.

A Halloween theme was carried out in the table appointments and refreshments served by Helen Todoroff, Shirley Cunningham, Margaret Wilmsig and Dorothy Shepherd.

MALCOM THOMPSONS VISIT RELATIVES

Mr. and Mrs. Malcolm Thompson, 4170 Breckenridge Lane, spent the weekend in Harrisburg, Ill., attending a reunion of six Thompson brothers and their wives.

While there they visited with Mr. and Mrs. E. J. Thompson and with their son-in-law and daughter, Mr. and Mrs. Curtis Burklow and children.

ENGAGED. Miss Diana Lynn Hoffman and Nick Anthony Huniak, whose engagement is being announced by their parents, Mr. and Mrs. Leonard D. Hoffman and Mr. and Mrs. Nick Huniak Sr., all of Granite City. A May 7 wedding is planned.

Huniak-Hoffman engagement

The engagement of Miss Diana Lynn Hoffman and Nick Anthony Huniak is being announced by their parents, Mr. and Mrs. Leonard D. Hoffman, 2816 Grand Ave., and Mr. and Mrs. Nick Huniak Sr., 4136 Rode Ave.

Miss Hoffman, a 1972 graduate of Granite City High School, is presently employed at

Colonial Haven Nursing Home. The groom-elect was graduated in 1971 from South High School and is attending Southern Illinois University at Edwardsville. He also is employed at the Granite City Chrysler-Plymouth Co.

Plans are being completed by the betrothed couple and their families for a May 7 wedding.

Church plans speaking program

James Myers, Sparta, Ill., will be the featured speaker for a week of preaching Sunday through Oct. 26 at the Reorganized Church of Jesus Christ of Latter Day Saints, Poplar Street and Niedringhaus Avenue. He was born and reared in Ellington, Mo., and then moved to St. Louis. He is vice-president

of Mid-West Graphic Finishes, Inc., of Pacific, Mo., and presently is pastor of the Sparta, Ill., congregation.

He previously was pastor at E. St. Louis, Holly Hills and St. Charles. He was ordained as a Seventy (Missionary) in the summer of 1974. The Seventies are missionaries for the church and work under the direction of the Apostles.

Services will be held at 7:30 each evening, Monday through Friday. The Sunday morning preaching will begin at 10:30 followed by a baptismal service in the afternoon. The public is invited. Further information may be obtained from Pastor Barry Murphy at 931-1551.

Governor candidate Williams urges sanity certifications

Dakin Williams, a Democratic candidate for governor, has challenged incumbent Gov. Dan Walker to "take a sanity test before a panel of independent psychiatrists."

Under Williams' plan, the panel would determine and certify each candidate as sane, mentally stable and responsible to govern the state of Illinois. Citing "Walker's two contradictory budget messages—spend our way out of recession with a \$10.6 billion spending program and tighten the belt by a 6 per cent across-the-board reduction on all items," Williams asserted that Walker has put in question "his own mental capacity for leadership."

The remarks were voiced Monday at El Dorado.

Later, at Mount Vernon, Williams continued his attack on a fellow-downstate, State Treasurer Alan Dixon, by characterizing Dixon as "a shallow glad-hander, a Daley puppet."

"Should he occupy the Executive Mansion, he would not only have to go to Daley for the key to the executive washroom, but would also have his own shortened version of the Lord's Prayer, which would read 'give us this day our Daley bread,'" Williams said.

"Southern Illinois could not afford the price of this bread, and needs a truly independent governor who would not take orders from the 5th floor of Chicago's City Hall," the Collinsville man said.

In television appearances at Paducah, Ky., and Harrisburg, Ill., Williams sang his campaign song, accompanying himself on the fiddle.

In the song, he promises "to knock out ole Dan Walker and make Dixon look like Nixon."

If elected, he promised to oppose the Equal Rights Amendment, abortion, busing and gun confiscation.

He would "restore fiscal sanity and not fiddle around with the taxpayers' dollar by hiring ghost workers to run my political campaigns."

He adds that he would pay his own campaign expense and "not be obligated to road contractors or other special interest groups. I will not shake down state employees for contributions to political funds," Williams concluded.

A brother of playwright Tennessee Williams, he has been a frequent and unsuccessful candidate for statewide office.

Higher education for many, not few — Price

Cong. Melvin Price has paid tribute to Southern Illinois University at Edwardsville on the tenth anniversary of the opening of the local campus.

Rep. Price noted this week's opening of SIUE's anniversary celebration in a speech delivered on the floor of the House of Representatives.

"Our country's elementary and secondary schools are the best in the world, but we haven't stopped there. Rather, we have built a system of post-secondary institutions throughout this nation which gives lie to the age-old belief that higher education is the privilege of the few. Indeed, we have made such an education the right of the many," Rep. Price said.

"Southern Illinois University at Edwardsville is a fine example of this American tradition of education for all."

Price cited the growth of the campus as proof of the university's success in the community.

"Yet, a university cannot be judged by the size of its campus or the number of its facilities alone, any more than a nation can be judged only by the length of its railway system or the wealth of its resources."

"In both cases, it is the people who provide the spirit, the essence which makes the campus or country what it is."

"The faculty, the administrative personnel, and particularly the fine efforts of President John S. Rendleman have all contributed to making SIUE the viable institution of higher learning it is today."

"Any institution is only as

good as the achievements of those who studied there can make it. To all of the men and women who have entered SIUE has been given the opportunity to achieve and to enrich themselves as they see fit.

"I think it is noteworthy that while colleges across the country are closing their doors because of declining enrollments and mounting costs, SIUE continues to grow and prosper."

"It is fitting that SIUE marks this point in its existence during our nation's bicentennial," Cong. Price concluded.

"In these times, more than any other, we need the strength of a well-educated America to continue where the last 200 years have left us."

"The men and women of SIUE are just such Americans, and I am proud to represent them and their school. I look forward to even greater achievements in the future."

Fire damages vacant duplex

A fire at 7:15 p.m. Sunday at 1632 Delmar Ave., a vacant brick duplex which was being remodeled, caused extensive damage. Estimated loss has not yet been determined.

Firefighters from the Granite City main station were at the scene for two hours. Cause of the blaze has not been established. Owner of the building is Everett Landers.

Illinoisans to form discussion groups

KETO-TV, Channel 9, is interested in forming viewer discussion groups of ten or more Illinois residents to evaluate a three-part series, "East Side Story," to be telecast at 7 p.m. Mondays and 8 p.m. Saturdays beginning Nov. 10 and 15. The

series examines "the humanistic values that affect life in East St. Louis and surrounding areas." "East Side Story" examines positive and negative aspects of life in East St. Louis through discussions with representative officials and community residents, and attempts to clarify the humanistic values necessary for satisfactory life. It also examines the factors that promote or inhibit the realization of these values.

SIUE to hold conference on new theories

The "Third Annual Conference on Special Emerging Programs in Higher Education" will be held at the Hyatt-Regency Hotel in Atlanta, Ga., Nov. 12 to Nov. 15, presented by Southern Illinois University at Edwardsville in cooperation with the Society of Ethnic and Special Studies (SESS).

The conference is directed toward educators of the sciences and mathematics, and directors of minority and special programs, according to Mrs. Lulu Lockett, coordinator for the conference and director of the Supplemental Instruction Program (SIP) at SIUE.

"The purpose of this conference is to provide a meeting place where different and differing theories of special programs in higher education can be described, discussed and shared. The experience gained should result in more effective and efficient programs in our colleges and universities," Mrs. Lockett said.

Symposia on "Minorities and the Sciences" and "The Ethnic Minority Family" will include prominent speakers, laboratories, workshops and exhibits.

Registration will begin at 6 p.m. Nov. 12 and continue Nov. 13 and 14 between 8 a.m. and 3 p.m. Pre-registration is available by contacting Emil F. Jason, president of SESS and assistant vice-president for special programs and minority affairs at SIUE.

A conference fee of \$40 will be charged, including all conference materials, two luncheons and one banquet. Students may register for \$15 and buy meal tickets at \$5 each.

Overnight accommodations are available at the Hyatt-Regency Hotel. Reservations must be made personally by each participant by either contacting the hotel directly or completing a reservation form included in the pre-registration packet.

Bus transportation is being arranged by John Robinson, staff assistant at SIUE. A bus is to leave the SIUE campus at 6 p.m. Nov. 12 and leave Atlanta at 2 p.m. Nov. 15, according to Mrs. Lockett.

Additional information may be obtained by contacting E. F. Jason at SIUE or Dr. Anna Grant at Morehouse College, Atlanta.

The principal subject is East St. Louis, but its relationship with other communities, including Fairview Heights, Granite City, Belleville and Collinsville, is also considered. A Channel 9 spokesman said, "East Side Story" has been produced through a grant from the Illinois Humanities Council.

The discussion groups will watch each of the three programs, discuss the issues raised, and evaluate the content and presentation of the program.

Sponsors of discussion groups will be furnished with a discussion leader's pamphlet and evaluation forms.

Residents wishing to help set up viewer discussion groups may write to: Clyde McCain, Channel 9, 6996 Millbrook Blvd., St. Louis, Mo. 63130.

Competition for pianists

The St. Louis Symphony Youth Orchestra will sponsor piano competition in January for pianists through the age of 24, it was announced by the Youth Orchestra manager, Mrs. Edith Hougland.

The winner of the competition will perform as soloist in a Youth Orchestra concert at 8:30 p.m. March 12, 1976, conducted by Gerhard Zimmermann.

The competition is open to pianists whose home addresses are within a 135-mile radius of St. Louis.

Applicants will be expected to perform a complete piano concerto in their auditions, and the winning pianist will then have the opportunity to perform the auditioned concerto in the Powell Symphony Hall concert.

Auditions will be held Monday, Jan. 12, at Powell Hall, 718 N. Grand Blvd., St. Louis 63103. The deadline for applications is Dec. 30.

To receive an application form, young pianists may send a self-addressed, stamped envelope to Mrs. Edith Hougland, 7150 Wise Ave., St. Louis 63117. For further information on the competition, they may call (314) 644-1686.

CAMELOT AUCTION HELPS BUY BUS. The Granite City Optimist Club presented a check Thursday for \$750 to help the Tri-Cities Area YMCA purchase a bus. Helping make the presentation is Dave Brooks, left, president of the Optimists. Harold Rudolph, center, executive director of the "Y," accepts the donation from Maurice Dailey, right, chairman of the Optimist Camelot Auction allocations committee. The check represents part of the proceeds from last year's Rotary-Optimist Camelot auction. The 1975 auction is set for Oct. 18.

Patchworker installation

Six new members were installed and received their pins at a monthly meeting of the Patchworkers 4-H Club last week in the cafeteria of St. Elizabeth Hospital.

New members are Patty Grobel, Mickey Loftus, Shelly Loftus, Carolyn Heath, Dee Wilmsmeyer and Karen Toussaint.

New officers also were installed, with Debby Burnett remaining as president, Wendy Melvov named vice-president, Donna Wilmsmeyer secretary, Sue Burnett treasurer, Lynda Loftus recreation director and Melissa Overath, historian. The new officers received corsages and candles.

The members were installed by the membership committee of Laurie Butler, Christy Kessler and Kim Overath, and the officers were installed by the installing committee of Karen Toussaint, Anna Fuller, Carolyn Heath and Winona Cox. The members agreed to make a biennial quilt.

The members were invited to a 4-H Halloween party at the 4-H building in Edwardsville Oct. 20. They also were requested to participate in a national contest to promote 4-H clubs.

Donna Wilmsmeyer reported that the club had a display last week in the lobby of First Granite City National Bank for National 4-H Week.

The display featured a lady robot with an apron and a dustpan, in keeping with the themes, "Future Homemakers of Tomorrow" and "4-H '76—Spirit of Tomorrow."

The meeting opened with the 4-H pledge led by Lynda Loftus and the pledge to the flag led by Laurie Butler.

Vice-President Wendy Melvov conducted roll call, to which each member answered with a favorite saying.

Twenty-nine members and

five guests attended. Guests were the Right Rev. Msgr. Lawrence J. Mattingly, Mrs. Martha Burnett, Mrs. Carol Kessler, Mrs. Joyce Toussaint and Jan Mueller, the latter of the Home Extension Service.

Demonstrations concluding the meeting were given by Joan Krystopa on "Dips for Chips" and Donna Wilmsmeyer on "Thousand Island Dressing."

Games were played and Wendy Melvov and John Krystopa served refreshments.

Next round of university registration

Appointment cards for winter quarter registration at Southern Illinois University at Edwardsville may be picked up at the enrollment office beginning Oct. 20, according to C. B. Collier, assistant registrar at the university.

The enrollment office will be open from 8 a.m. until 7 p.m. Oct. 20, 22 and 24 for the benefit of students attending night classes.

On Oct. 21 and 22, the office will be open from 8 a.m. until 5 p.m.; and on Oct. 23, from 8 a.m. until noon.

To get an appointment card, students must have in their possession their most recent fee receipt (No. 3 card), Collier said.

Registration by appointment for the winter quarter will be held Nov. 18 and 19 from 8:30 a.m. until 7 p.m. in Meridian Ballroom of the University Center.

Registration without an appointment will be held Nov. 20 and Jan. 5 during the same hours of 8:30 to 7.

Winter classes will begin Jan. 5.

Demo Club bylaw, steering committees

Nick J. Petrillo, 2201 Monroe Ave., temporary chairman of the newly reorganized Granite City Democratic Club, has announced appointment of bylaws and steering committees for the organization.

To the bylaws committee he appointed George Vallicoff, James Henderson, Chris Von Nida, Marge Perdue, Fred Painter and Henry Bieniecki. This committee is to prepare and submit suggested bylaws to be adopted.

For the steering committee, Petrillo appointed Lionel Portell, Von Dee Cruse, Jerry Parnley, Dick Allen, Weldon Burch and Vasil Efthymiou.

The steering committee is to temporarily operate the organization under the leadership of Petrillo until selection of permanent officers, which is expected in the next few meetings.

Petrillo has announced that the October meeting of the club will be held tonight at 7:30 at the assessor's office in Granite City. Refreshments will be available.

He extended an invitation to "all persons interested in participating in Democratic politics in the Granite City area."

Petrillo said the group has discussed extending an invitation to "various political personalities and candidates."

Fire damages car. Arson is suspected in a fire which caused about \$150 damage to the car of Virginia Usery, 2508 Hodges Ave., Monday.

Firemen said the car was left unlocked and was in an unlocked garage when the front seat caught on fire. The fire destroyed the front seat and the dashboard of the 1963 auto.

TELEVISION STOLEN. A portable television set, valued at \$159, was stolen in a burglary at the home of Sharon Causey, 2104 Dewey Ave., she reported during the weekend.

to be on the club's monthly programs as speakers to stimulate interest.

The name of Alan Dixon, currently state treasurer and an announced candidate for governor, was suggested as the first speaker, Petrillo said.

It was decided that "having formal programs of this nature would be premature until the group has its permanent officers and organizational structure, which is expected within the next few meetings, at which time an invitation can then be extended."

Mistreated cat sparks weekend pet adoptions

A yellow and white cat, nicknamed "Cauliflower Ear" by the staff at the Association for Protection of Animals (APA) shelter, will be among a large group of pets to be offered Saturday and Sunday at the APA's adoption clinic.

Adoptions will take place at the Granite City Flea Market, located in the former Biederman's store, on Nameoki Road, from 10 a.m. until 9:30 p.m. Saturday and from 11 a.m. until 5:30 p.m. Sunday.

Chosen as the "pet of the month" by the shelter staff, Cauliflower Ear is a 2-year-old female cat which was severely mistreated prior to coming to the shelter six months ago.

"She has a disfigured ear and a series of buckshot pellets under the left front leg. The area is now healed and doesn't give her any trouble," Mrs. Mary Ann Loftus, adoption

supervisor explained.

"She is a very loving cat and represents just what our shelter is meant to do—care for animals which are mistreated and unwanted," she added.

Another "character" pet the APA is placing for adoption is a 5-year-old male dog of mixed breeds. Named "Puppy," the white and black medium size animal is good with children and can perform some tricks.

Other pets to be offered include a sealpoint female Siamese, about 18 months old, which has two tabby kittens, and a 2-year-old tiger-striped spade female cat with long hair.

A litter of 10-week-old part Sheltie puppies with brown, black and white markings, part poodle puppies and long and short hair kittens in various colors will also be offered.

If weather permits this

weekend Mrs. Loftus said several large dogs left in the APA's care will be shown outside the Flea Market building. The animals are too large for the available cages and can only be shown if weather conditions permit an outdoor area to be used, she explained.

A nominal fee is asked from those adopting a pet by the non-profit humane group to help feed and provide medical services for the animals left in its care.

Mrs. Loftus said the association is continuing to collect "bonus gift points" as a means of securing pet food. Anyone wishing to contribute bonus points to the APA may bring them to the adoption clinic, or leave them at the shelter, located at the Granite City Army Installation.

COLUMBIAN AWARD PRESENTED. Frank Kierski, left, grand knight of Knights of Columbus Council No. 1098 is presented with the Columbian award by Dr. J. R. Vasiloff, right, state regional activities coordinator. The award is presented for participation in state K. of C. programs, community and church activities and K. of C. activities on a local level.

Safety awareness week Oct. 18-25

When members of American Legion Post 113 are putting up American flags along Madison avenue Saturday in Granite City, and when flags are being flown in Madison and Venice, it will be to remind everyone of "Safety Awareness Week."

A Tri-Cities Area Chamber of Commerce subcommittee—in cooperation with mayors, services clubs, schools, churches, industries and labor—hopes to make citizens in this area more safety conscious in the home and on the street, beginning Saturday and continuing through Saturday, Oct. 25.

The Rev. Paul Surbey, president of the Tri-Cities Ministerial Association, will be distributing 5,000 bumper stickers with the aid of local ministers calling attention to the special emphasis on safety.

Police departments in the Quad-Cities are distributing special bicycle safety brochures, in addition to a pamphlet on new road signs, to school children in the community.

Police and fire departments will also be conducting special safety programs during the week.

Several local schools are having safety poster contests, safety theme contests and special programs on safety.

"We hope motorists will be

very aware of automobile safety," Lt. Col. George Teller of the Granite City Police Department, said.

"Area police departments will be doing everything they can to impress on the public the need for observing all traffic regulations."

"Traffic regulations are needed from two aspects; one is to keep traffic moving in an orderly manner, and the second is to keep it flowing in a safe manner."

"During the week, we hope everyone will become more aware of such things as the speed limit, observing stop signs, bicycle laws, school bus safety and pedestrians."

"One of the main thrusts of this special week will be to reduce traffic accidents," Teller said.

Some area service clubs will be presenting special safety programs during the week.

Walter Nonn may have visitors

Granite City Fifth Ward Alderman Walter Nonn, 61, is recuperating well in Firmin Desloge Hospital, St. Louis, following heart surgery and is able to receive visitors at this time.

Nonn underwent surgery one week ago in which an artery was removed from his leg and was used as a connector to his heart. During the surgery, other complications involving his heart were found and corrected, according to relatives.

He has been removed from the hospital's intensive care unit and is reported in satisfactory condition. Cards and letters may be sent and he may be visited on the 10th floor of the hospital, relatives said. They added he is expected to return home in about one week, but a lengthy recuperation period at home may be required.

Marine promoted

Marine Corporal Jimmie R. McClanahan, son of Mr. and Mrs. Jessie McClanahan, 2722 Harding Ave., has been promoted to his present rank while serving with the Second Marine Division at the Marine Corps Base, Camp Lejeune, N. C.

A former student of Granite City High School, he joined the Marine Corps in December 1972.

Veterans' employment opportunity

The Office of Veterans Affairs at Southern Illinois University at Edwardsville and the National Alliance of Businessmen will host a "Veterans Employment Seminar Program" Oct. 30 at SIUE.

The program is scheduled in the Illinois-Mississippi Rooms of the University Center, commencing at 8 a.m. Elroy Brown of the Office of Veterans Affairs said the program will bring together unemployed veterans and prospective employers who have openings, along with representatives of the Veterans Administration who will describe the assistance and benefits available to veterans seeking employment.

Primary aim of the program will be to assist veterans in defining and obtaining their career employment objectives, Brown said.

Representatives of industries throughout the region will address unemployed veterans. They will give descriptions of their industries in general and their companies in particular, and will discuss specific job openings.

Also available during the program will be company brochures, film and slide presentations, applications for employment and preliminary interviews.

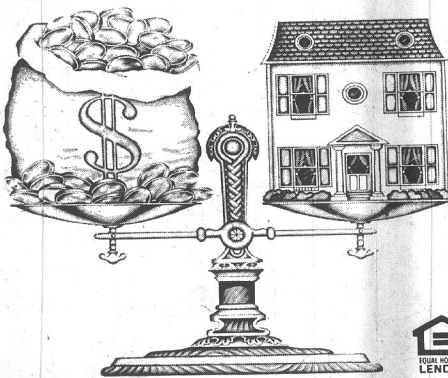

'Grand Opy' to mark 50th year Saturday

The 50th anniversary celebration of the Grand Ole Opry will be broadcast live over WISN-FM Saturday at 5:30 p.m. The celebration will take place in Nashville, the home of the opera.

WISN-FM (88.7) is owned and operated by Southern Illinois University at Edwardsville. The evening's festivities will include backstage interviews with the performers, the main performance and audience responses.

Throughout the past 50 years, the Grand Ole Opry has been a force in making Nashville "Music City U.S.A." During its reign, the Opry's stage has hosted such well-known country music stars as Minnie Pearl, Tammy Wynette, Lester Flatt and Earl Scruggs.

1976 PLYMOUTH COUPE. The new 108.5 inch wheelbase Plymouth Volare compact coupe is offered in Standard, Custom and Premier (photo) models. Quiet ride and comfort from sound insulation and new, sophisticated isolated front suspension are featured.

1976 Plymouth features Volare

Volare is a new small Plymouth for 1976, "tuned to the economy-minded consumer shopping for big car qualities in a small, sensible and stylish transportation package."

"Volare has been designed with the thought it may well be the standard-size car of the future," reports Mat Matson, president of Granite Chrysler-Plymouth, 19th Street and Grand Avenue. The 1976 Plymouths are currently on display here.

Volare has a full line of models in low to premium series, including a 108.5-inch wheelbase semi-fastback coupe, and 112.5-inch wheelbase sedan and station wagon with a cargo area close to that of intermediate and standard-size wagons. For the sporty car enthusiast, there is a Volare Road Runner.

"Volare will complement our Valiant line, the most successful compact in the industry, and expand the appeal of our Plymouth compacts to a larger market segment," Matson said.

"We are now in the strongest competitive position ever in providing a complete line of compact cars—from basic transportation to luxury motoring."

"Every design and engineering consideration possible has been given to our new family of compacts—small on the outside, large on the inside. Interior room and all-around visibility compares to our larger cars."

"Special attention has been paid to entry and exit. In fact, the rear door of the Volare sedan is wider than our full-size cars and the door on the coupe is five-and-one-half inches wider than Duster."

"The quiet ride and comfort

traditionally associated with standard-size Chrysler cars is accomplished on the new compacts through sound insulation and a sophisticated isolated front suspension system with transverse torsion bars and anti-sway bar.

"Coupe styling is sporty and the sedan has a functional European flavor, while the station wagon is distinctive and easily identifiable."

"Volare's wind tunnel-tested design provides a 10 per cent reduction in aerodynamic drag compared to 1975 Plymouth compacts."

"The coupe and sedan will be offered in Standard, Custom and Premier models while the station wagon will be available in Standard and a Premier, which includes simulated exterior woodgrain treatment."

"All models are 72.8 inches wide with a front track of 60 inches and rear track of 58.5 inches."

"The coupe is 19.2 inches long with optional bumper guards and 53.1 inches high. Sedans and wagons have an overall length of 201.2 inches, with the guards and height of 54.8."

"Engine selection includes either the 225-cubic-inch Slant Six or 318 V-8 as standard. A 360-cubic-inch V-8 with two-barrel carburetion is optional on all models. Fuel tank capacity is 18 gallons."

FORCES WINDOW

Brenda Harris, 1014 Greenwood St., Madison, reported during the weekend that a 19-inch color television was stolen from her home by a burglar who forced open the window above an air conditioning unit.

Christy Lane featured at benefit dance

Christy Lane, vocalist who has had more than 50 hit records, will be featured at the Madison County Deputy Sheriffs' Association's annual benefit dance Friday night at the Madison County Firemen's Building, 950 Collinsville Road.

Proceeds from the dance will be used to promote youth activities, purchase Christmas gift baskets, aid the Salvation Army building fund and for other charitable activities.

Christy Lane will appear with Dan Willis, a promising new talent, and The Mistymen.

Christy Lane has a new single of the Melissa Manchester hit "Midnight Blue," which is aimed more toward the country and western followers. Cashbox and Billboard magazines as well as many radio stations have selected the Christy Lane version as a pick hit.

She has appeared in Vietnam, doing more than 120 shows there in 1969.

The event will continue until 1 a.m. Saturday. Tickets will be available at the door or may be purchased from any Madison County sheriff's deputy.

As '76 goal, curb being overgoverned — Howlett

By encouraging study of American history, the Bicentennial of U. S. Independence may help Americans find where they are overgoverned, Michael

J. Howlett, Illinois secretary of state, said here Tuesday night. Howlett was guest speaker at a dinner of the Southwestern Illinois Industrial Association at Sunset Hills Country Club.

He said Americans should handle government business at the local level as much as possible.

"We shouldn't have different levels of government doing the same thing," said Howlett. "Anything that can't be handled at the local level should be handled at the state level. What can't be handled at the state level should be handled by the federal government."

Howlett said government today employs 14 million people, five times as many as the total population of the 13 colonies in 1776.

"Life in early America was less complex," he said.

"Colonial society was not forced to confront issues such as environmental pollution, the energy shortage, nuclear arms limitation and national health care."

"Affairs of the nation could be handled by a small group of experienced leaders, gathered in a New England meeting house."

"Since 1776, government has expanded to touch every phase of our lives."

"No matter where we turn, some agency of local, state or federal government is telling us what we can or cannot do."

"So many different agencies operate at so many different levels, they are unable to keep track of what each other is doing. Activities of one regulatory body overlap or duplicate another."

"Our new state constitution, ratified in 1970, should reduce overgovernment in Illinois. By

featuring home rule, it enables cities to handle their own affairs. "The American people don't like expanding bureaucracy. They believe it is an offense to human dignity to have every phase of life regulated by government."

"As we examine our nation's past during the Bicentennial, we should realize that what is big and complex is not necessarily better. "Whopping budgets, bulging payrolls and clusters of agencies do not make good government."

Colonial Haven observes second year of operation

Colonial Haven Nursing Home celebrated its second anniversary of operation last week.

The nursing home opened on Monday, Oct. 8, 1978, with one resident.

Lester Robertson, administrator, Mrs. Pat Blankenship, director of nursing, and Mrs. Dawn Jones, activity director, hosted the celebration which opened with a speech by the resident council, Mrs. Iva Nichols.

The employees and residents recognized for serving the home for two years were:

Residents: Bill Barnhart, Willis Zirges, Ella Tegtmeyer, Anna Mikulica, Percy McDord, Florence Gilbert, Minnie Hoffman, Lottie Ridgeway, Ella Sanderson, Hazel Higfield, Sarah Phelps, Claude "Doc"

Weir, Mary Christopher and Joe Egan.

Employees: Lisa Novosel, Dawn Jones, Bruce Elliot, Eric Rozycki, Chuck Schmidt, Betty Reynolds, Pat Blankenship, RN, Lorraine Paladin, LPN, Barb Ponder, Treva McCarty, GPN, Cathy Black, Betty Vaughn and Vonda Collins, LPN, and Diana Hoffman, student nurse.

The employees received a silver key chain and the residents received initialed handkerchiefs.

Mrs. Blankenship awarded nurse-aide pins to nurse aides who had worked for the home at least one year and had performed outstanding nursing care. They were: Melinda Rochester, Christy Welch, Sherie Cathey, Becky Wisdom, Mary Jackson, Donna Smith

and Leona London.

Robertson presented certificates of appreciation to those who had "added enrichment and enjoyment to everyone living at Colonial Haven Nursing Home."

They were: Barb Ponder, Cathy Black, Sally Corbin, Shirley Kamadulski, Paula Swiatek, Diana Hoffman, Dorothy Hoffman, Scott Squires, Betty Reynolds, Dawn Jones, Lisa Novosel, Colleen Bringer, Eric Rozycki, Bruce Elliot, Chuck Schmidt, Shirley Jump, Mary Jackson, Elizabeth Schmidt, RN, Vonda Collins, LPN, Lorraine Paladin, LPN, Rita Wideman, Pat Hainaut, June Carr, Betty Vaughn, LPN, Joyce Miller, LPN, Jeff Sanford, Shereth Twistmeyer, and Gary Zimmermann.

representative for Nursing Home Managers, Inc. The appointment of Mrs. Kathryn Long, RN, to the position of assistant director of nursing also was announced.

Moonspinner leader earns award

The Moonspinner 4-H Club held its October meeting at the Nameoki United Presbyterian Church. Mrs. Elizabeth Schmidt, leader, reviewed the 4-H program and distributed handbooks and enrollment cards.

Jennifer Herman led the pledge of allegiance and Kimberly Blankenship gave the 4-H pledge. Alice Childers and Maria Schmidt led the 4-H motto and creed, respectively.

A project meeting was planned from 7 to 8:30 p.m. Thursday at the church for members working on knitting, stitchery and crocheting.

At "Leaders Appreciation Night" in Edwardsville, Mrs. Schmidt was presented a 4-H Silver Clover certificate and a silver pin in recognition of five years service as a 4-H club leader. It was announced. The leadership award was bestowed by the Cooperative Extension

Constance Antoff is engaged

Mr. and Mrs. Carl R. Antoff, 2506 E. 28th St., are announcing the engagement of their daughter, Miss Constance M. Antoff, to George A. Schwendemann, a son of Mr. and Mrs. James M. Schwendemann, 3005 Forest Ave.

The bride-elect graduated from Granite City High School

South in 1974 and is presently employed by the U.S. Department of Justice in St. Louis. Her fiancé, a 1973 graduate of South High School, is working at Granite City Steel.

The engaged couple is completing plans for an early spring wedding.

Women of Moose aid children

Granite City Chapter 247, Women of the Moose, hosted Mooseheart Chapter Night and a "Christmas in October" march at its meeting last week at the Moose Lodge.

Senior Regent Ruth Stover was in charge of the session and welcomed 38 members and a new member, Sharon Pugh.

Miss Stover said proceeds from the march will be used to

purchase presents for children residing at the Mooseheart Home during the holiday season.

Plans were made to buy new flags and stands for the chapter room to celebrate the Bicentennial Year.

Mrs. Nancy Hamilton reported on a convocation at which she received her "green cap" during the state convention in Peoria. Miss Stover reviewed the convention proceedings.

Games were played after the discussions and prizes were awarded to Shirley LeMaster, Pearl Giffin and Carolyn Anders. Luncheon was served at tables decorated in a Christmas motif by the Mooseheart committee. The next meeting will be held Oct. 22.

LOSE UGLY FAT

Start losing weight today or money back. MONADEX is a tiny tablet and easy to take. MONADEX will help curb your desire for excess food. Eat less — weigh less. Contains no dangerous drugs and will not make you nervous. No strenuous exercise. Change your life... start today. MONADEX costs \$3.99 for a 20 day supply. Large economy size is \$9.99. Also try AQUATABS: they work gently to help you lose water-weight. AQUATABS — a "water pill" that works — \$3.00. Both guaranteed and sold by HUB. 800-800 1370 1978. Mail Order Filled.
